ASSIGNMENT

This assignment is by:

1. Stanislav VOZKA
Brázdinská 214
19000 Prague 9
CZECH REPUBLIC
2. Miroslav POBOLAK
Na rozdílu 18
16000 Prague 6
CZECH REPUBLIC

(referred to in this Assignment as "Assignors"), who reside at or have a mailing address as listed above.

This Assignment is to:

Assignee: LABIO A.S.
Address: U Přírozy 1/804, 16100 Prague 6, CZECH REPUBLIC
A corporation duly organized under and pursuant to the laws of: CZECH REPUBLIC

(referred to in this Assignment as "Assignee"), who desire to acquire the entire right, title and interest in said inventions and said application for letters patent of the United States, and in any United States or non-United States, letters patent or patents, to be obtained therefor and thereon.

Assignors have invented certain new and useful inventions in:

DEVICE FOR UV-SPECTROMETRIC ANALYSIS OF GASEOUS COMPOUNDS

for which the following application has been filed in the United States of America:

Serial No.: 13/699,283
(corresponding to PCT/EP2011/053989)

Filing Date: (Int'l) March 16, 2011

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

1. Assignors hereby assign, transfer and convey, to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, application for letters patent, and any and all letters patent or patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all provisionals, divisions, continuations, continuations-in-part and substitutions of said application, or renewals, re-examinations or extensions of said letters patent or patents, and all rights under the International Convention for the Protection of Industrial Property, the same as would be held and enjoyed by Assignee (including any right to institute actions and to recover for past, present and future infringement), for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which letters patent or patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

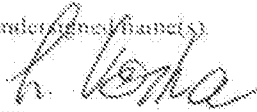

2. Assignors shall promptly sign and execute all papers and documents, take all lawful oaths, and do all acts necessary, required or useful for the procurement, maintenance, enforcement, defense or otherwise to secure title thereto in the Assignee, at the sole cost and expense of Assignee, its successors, legal representatives and assigns, in each case including, without limitation, arising from or relating to (a) said inventions, or said application for letters patent; (b) letters patent for said inventions in any country, including any renewal, re-examination or extension of or interference proceedings; or (c) any provisional, division, continuation, continuation-in-part, or substitution of any application for

letters patent or any claims, re-examinations, extensions or interference proceedings involving any letters patent, to be obtained thereon, as long as Assignors find such to be in compliance with the legal regulations of the Czech Republic, and not in violation of the interest of the Czech Republic, and provided that all associated expenses are covered by the Assignor.

3 Assignors hereby authorize and request the Commissioner of Patents in the United States to issue the above mentioned letters patents of the United States to Assignee as the assignee of said inventions and the letters patent to be issued thereon for the sole use of Assignee, his successors, legal representatives and assigns.

In witness whereof, executed by the undersigned on the date(s) opposite the undersigned name(s).
