ASSIGNMENT

The individuals known collectively as ASSIGNOR:

Tod D. Emerson of 14439 Wickhurst Place, Cypress, TX 77429-185;

Jerry L. Reeves of 12111 Oralia Drive, Houston, TX 77065;

Michael E. Daugherty of 2401 W. Sam Houston Pkwy. North, #1422, Houston, TX 77043; and

Leroy Cantu of 4505 Westwood Lane, Manvel, TX 77578, Houston, TX 77043 are the inventors of the **Coiled Tubing Dual Sealed Penetrator and Method** described and claimed in application No. 61/422,038 for U.S. Letters Patent filed December 10, 2010.

The ASSIGNEE, Quick Connectors, Inc., a Texas Corporation having an address at 5226 Brittmore Road, Houston, TX 77041, wishes to acquire the entire right, title and interest in and to the design, patent application and any U.S. Letters Patent that may issue thereon.

For valuable and legally sufficient consideration, receipt of which is hereby acknowledged, Assignor sells, assigns and transfers to Assignee, its successors and assigns, on this date the entire right, title and interest in and to the above-identified invention, design, application and any Letters Patent to be issued thereon for the full terms thereof.

Assignor also sells, assigns and transfers to Assignee the entire right, title and interest in and to the design and any applications for Letters Patent and Letters Patent therefore in all countries foreign to the United States including all rights under the International Convention. Assignor further authorizes Assignee to apply for Letters Patent in foreign countries in the name of Assignee, and to claim the priority of the filing date of the United States Application under the provisions of the International Convention.

Assignor further agrees, for himself and his legal representatives, that he will assist Assignee in the prosecution before the United States Patent Office and the Federal Courts and any foreign equivalent of these Letter Patent, and other applications for Letters Patent including renewals, continuations, divisions, ~~reissues~~ and substitutions, that Assignee elects to make covering the inventions. Assignor vests in Assignee exclusive title in and to all such other applications and Letters Patent. Assignor will execute and deliver to Assignee in a timely manner any documents which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. Assignor also authorizes and requests the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignee.
