ASSIGNMENT

WHEREAS, I, the undersigned, of residence as listed, am a joint inventor of new and useful subject matter disclosed by the patent application entitled MESH DESIGN FOR TOUCH SENSORS;

WHEREAS, I invented said subject during the course of my engagement or employment by Conductive Inkjet Technology Limited, a corporation organized under the laws of England and Wales and having a place of business at with an address of Brookmount Court, Kirkwood Road, Cambridge, CB4 2QH, Great Britain, (hereinafter "Assignee");

WHEREAS, Assignee wants to acquire my entire right, title, and interest in and to said subject matter and in and to said patent application and any and all letters patent that issue therefrom;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I assign to Assignee all right, title, and interest in and to said subject matter and in and to said application and any and all patents that issue therefrom, as well as any and all divisions, reissues, continuations, continuations in part, and extensions thereof. I hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said subject matter, insofar as my interest is concerned, to Assignee.

I hereby assign to Assignee all right, title, and interest in and to said subject matter throughout the world, including the right to file applications and obtain patents, utility models, industrial models, and designs for said subject matter in Assignee's (or Assignee's assigns') own name throughout the world and further including the right to claim priority to said patent application under any international convention, all rights to publish cautionary notices reserving ownership of said subject matter, and all rights to register said subject matter in appropriate registries throughout the world. I shall execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any and all other papers in connection therewith to perfect Assignee's (or Assignee's assigns') right, title, and interest in and to said subject matter throughout the world.

I hereby covenant and agree that I have full right to convey the entire interest herein assigned and that I have not executed, and shall not execute, any agreement in conflict herewith.

//

I shall communicate to Assignee (or Assignee's assigns) any and all facts known to me concerning any improvements. At the expense of Assignee (or Assignee's assigns), I shall testify in any and all legal proceedings, sign any and all lawful papers, execute any and all divisional, continuation, continuation-in-part, reissue, and substitute applications, make any and all lawful oaths or declarations, and generally do everything possible to perfect Assignee's (or Assignee's assigns) right, title, and interest in and to said subject matter and to help Assignee (or Assignee's assigns) obtain and enforce proper protection for said subject matter in any and all countries. This Assignment shall bind the parties' successors, assigns, and legal representatives.
