DEED OF ASSIGNMENT

Signed on 30 April 2013

Between

O.D.F. Optronics Ltd., an Israeli company

with address at 11 Granit Street, Kiryat Ariye, Petach Tikva, Israel

("the Assignor")

and

Mistral Detection Ltd., an Israeli company

with address at 6 Maskit Street, Herzliya Pituach, Israel

("the Assignee")

With regard to:

Any and all rights, ownership, title and/or interest that Assignor has or may have in any of the patents and/or patent applications and/or designs and/or design applications and/or trademarks and/or service-marks and/or trademark applications and/or service-mark applications and and/or other types of Intellectual Property (IP) rights that appear in Appendix "A" herein, in the United States Patent office and/or in any other patent office(s) or IP offices in any foreign country or region, and including any domestic and/or foreign counterparts worldwide ("the IP Items");

The Assignor and the Assignee hereby mutually agree and covenant as follows:

In consideration of One United States Dollar (USD 1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, the Assignor hereby irrevocably assigns, transfers and sells to Assignee:

- (1) Any and all rights, title, ownership and/or interest, which Assignor has or may have, in any of the IP Items;
- (2) Any and all Rights of Priority, under any applicable law and/or treaty (including, but not limited to, the Paris Convention and/or the PCT – Patent Cooperation Treaty), which Assignor has or may have, in any of the IP Items;

(3) Any and all rights, title, ownership and/or interest, which Assignor has or may have, in any continuing, substitute, divisional, continuation, reissue and/or reexamination patents or patent applications, which derive or may derive from any of the IP Items;

(4) Any and all rights, title and/or interest, which the Assignor has or may have, in any of the invention(s) that are disclosed and claimed, and/or any of the inventions that are disclosed and not claimed, in any of the IP Items.

Assignor hereby covenants and declares that Assignor has not performed and has not given, to the benefit of any third party, any assignment, transfer, mortgage, license and/or lien, affecting the rights and title herein conveyed with regard to the IP Items.

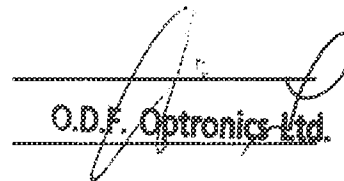

Assignor hereby obligates that, when requested by Assignee, and without charge to Assignee, but at the expense of Assignee, the Assignor shall perform in good faith and without delay the intent and purpose of this Assignment, and will sign any additional documents and/or deeds and/or instruments to effect the above-mentioned assignment of rights and/or in order to vest title with the Assignee, with regard to the United States Patent Office and/or any other patent office worldwide.

Assignor hereby irrevocably authorizes the Assignee (and any attorney, agent, or subsequent assignee acting on behalf of the Assignee) to submit this Assignment, or copies thereof, to any suitable patent office or IP office worldwide, in order to record the above-mentioned assignment.

In Testimony Thereof, this Assignment is hereby executed by the parties, on 30 April 2013:

Signature of the Assignor (O.D.F. Optronics Ltd.) :
