ASSIGNMENT

WHEREAS, We, Jose L. Walewski, residing at 71 Elm Street, Fairfield, Connecticut 06824, USA; and Paul D. Berk, residing at 412 W. 168th Street, #102, New York, New York 10025, (Collectively the "Assignors,") are the inventors of certain new and useful invention and discovery, disclosed in a patent application entitled "**OBESITY-RELATED GENES AND THEIR PROTEINS AND USES THEREOF**"; the "Invention", for which an Application was filed on October 15, 2010, with the United States Patent and Trademark Receiving Office and assigned U.S. Provisional Patent Application No. 61/393,634, hereinafter, the "Application"; and

WHEREAS, The Trustees of Columbia University in the City of New York, existing under the laws of the State of New York, having its principal office at 412 Low Memorial Library, 535 West 116th Street, New York, NY 10027, and which, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors hereby assign to Assignee all of Assignors' right, title and interest in the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Application; any application that claims priority from the Application (including utility applications, divisionals, continuations, continuations-in-part, international applications or any foreign regional or national applications), or any application based in whole or in part on any of the foregoing.

Assignors agree that such Assignors and Assignors' heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignors relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title

thereto in Assignee. Assignors further agree that such Assignor will, without further compensation to Assignor during the term of such Assignors' employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal this 10th day of October, 2011 (Month/Year).
