OP \$40.00 13051306

Whereas we,

1. Mei Zhang of Sharon, Massachusetts, US
2. Chaoyoung Lee of Weston, Massachusetts, US

hereinafter referred to as "applicants," have invented certain new and useful improvements in "Pump Activated Pinch Clamp," for which United States Provisional Patent Application 61/316,802 was filed on March 23, 2010, Patent Cooperation Treaty Patent Application PCT/US2011/028978 was filed on March 18, 2011, United States Non-provisional Patent Application 13/051,306 was filed on March 18, 2011, and People's Republic of China Patent Application 201180015593.3 was filed on September 24, 2012; and

Whereas **Zyno Medical LLC** of **Natick, Massachusetts** herein referred to as "assignee," whose mailing address is **177 Pine St, Natick, Massachusetts 01760** is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of valuable consideration, the receipt whereof is acknowledged, we, the applicants, hereby assign to the assignee and its successors and assigns, the entire right, title and interest in the US and throughout the world in and to any and all Patents which may be granted in the inventions and improvements which are the subject of the above listed Patent Applications, this assignment including said Provisional Patent Application, said Patent Cooperation Treaty Patent Application, any and all United States Non-Provisional Patent Applications, said People's Republic of China Patent Application, and any and all other foreign patent applications, utility models, design registrations and like rights of exclusion, and for inventors' certificates applied for or granted that claim priority of any of said Patent Applications, any and all continuations and divisionals of such patent applications, and any other inventions or improvements included in such Patent Applications, and we authorize the assignee to apply in all countries in our names or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and for our heirs, legal representatives and assigns, without further compensation, to perform such lawful acts and to sign for such further applications, assignments, preliminary statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment. Now, therefore, we the applicants, by these presents do hereby authorize and request the US Commissioner of Patents and Trademarks to record this assignment for said United States Patent Applications and for all United States Patent Applications claiming priority of said United States Patent Applications, and to issue such United States Patents to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said

Patents may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.
