Assignment of Patent Rights

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Hewlett-Packard Limited (an English Company of Bracknell, England) ("**HPL**"), effective as of January 29, 2004 (the "Effective Date") hereby sells, assigns, transfers, and conveys to Hewlett-Packard Development Company, L.P., a limited partnership duly organized and existing under the laws of the State of Texas and having its principal place of business at 20555 S.H. 249 Houston, Texas 77070, U.S.A. ("**HPDC**") all right, title and interest in and to:

(i) each patent and patent application identified in the attached **Exhibit A**, together with any patent issuing on any such patent application, including any rights of priority in or to any of the foregoing patents and patent applications,

(ii) each patent application that derives priority from any patent or patent application set forth on **Exhibit A**, together with any patent issuing on any such patent application,

(iii) any reissue, reexamination, extension, divisional, continuation, continuation-in-part, or domestic or foreign counterpart to any patent or patent application set forth on **Exhibit A** or any patent or patent application that derives priority therefrom, and

(iv) each patent or patent application that contains a terminal disclaimer or is disclaimed with respect to any patent or patent application identified in clause (i), (ii), or (iii) above

(for the purpose of this Assignment of Patent Rights, the items in clauses (i), (ii), (iii), and (iv) above are collectively referred to as "**Assigned Patents**"),

to have and to hold the same, including all damages for infringement of any of the Assigned Patents accruing at any time on, prior to, and/or after the date hereof, and the sole right to sue for and obtain injunctive relief and damages with respect to the Assigned Patents, for the full term or terms of each of the Assigned Patents.

HPL hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents or certificates of invention or equivalent which may be granted upon any of the Assigned Patents in the name of HPDC, as the assignee to the entire interest therein.

The terms and conditions of this Assignment shall inure to the benefit of HPDC and its successors and assigns of the Assigned Patents, and shall be binding upon HPL, and each of their

respective successors, assigns and other legal representatives.

IN WITNESS WHEREOF, HPL has executed this Assignment of Patent Rights as of the Effective Date:
