confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, except as set forth below, my entire right, title and interest -

(1) in and to an invention entitled "Hand Power Tool having a Drum-Type Tool Change Magazine" for which I have executed a United States patent application, said United States application being assigned U.S. Serial No. 13/677,070 filed on November 14, 2012 and which is disclosed in German Application No. DE 10 2011 087 293.0, filed on November 29, 2011;

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), reissue applications, and international patent applications designating the United States) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted; and

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, including patent applications filed under
