CONFIRMATORY ASSIGNMENT

(for employee)

WHEREAS, I, Richard Purcell
[employee name]
of 540 Steeple Hill Pkwy
[home address] citizen of Canada
[country of citizenship]

am (and at all material times have been) an employee of the below-named ASSIGNEE and in the course of my employment with ASSIGNEE have invented, or participated in the invention of, certain new and useful improvements and designs in

BED FOUNDATION CORNER STRUCTURE

(the "Invention"), embodiments of which are generally illustrated in Schedule "A" attached hereto, and are to be, or may be, described in one or more applications for patent, industrial design registration and/or design patent for or relating to such invention;

AND WHEREAS,

ROBERT CUSTOM UPHOLSTERY LTD.

(hereinafter "ASSIGNEE") of

Unit 4, 1710 Midland Avenue,
Scarborough, Ontario,
CANADA M1P 3C7

desires to confirm its interest therein;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I hereby confirm that, effective as of the date of the Invention, I did sell, assign and transfer (or, at the latest, do hereby sell, assign and transfer) to ASSIGNEE, its successors, assigns and legal representatives, my entire right, title and interest in and throughout Canada, the United States of America, its territories and all other foreign countries, in and to the Invention, including without limitation in my entire right, title and interest in and to the said applications therefor and such patents and registrations as may issue thereon; the Invention, said applications, patents and registrations to be held and enjoyed by ASSIGNEE for its own use and benefit and for the benefit of its successors, assigns and legal representatives, to the full end of the term for which said patents and registrations may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made; I also hereby expressly confirm that, effective as of the date of the Invention, I did convey (or, at the latest, do hereby convey) to ASSIGNEE, its successors, assigns and legal representatives all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial or intellectual property by filing any such applications for patent and industrial design registration. I hereby acknowledge that this assignment, being of my entire right, title and interest in and to the Invention, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all patents and industrial design registrations by attorneys and agents of

.../2

ASSIGNEE's selection and the right to procure the grant of all such patents and registrations to ASSIGNEE for its own name as assignee of my entire right, title and interest therein.

AND, I hereby further agree for myself and my heirs, executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the invention to ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents and industrial design registrations in foreign countries, and the execution of substitution, reissue, divisional or continuation applications and preliminary or other statements and the giving of testimony in any interference or other proceeding in which the invention or any application, patent or registration directed thereto may be involved.

AND, I do hereby authorize and request such patents and industrial design registrations as shall be granted upon said application or applications based thereon to issue to ASSIGNEE, its successors, assigns and legal representatives.

SIGNED at the City of Toronto, Ontario, CANADA, this 29th day of March, 2012.
