## PATENT ASSIGNMENT

**WHEREAS**, Cupid Roberts, residing in Stoneville, North Carolina, and Susan Kiefer, residing in Greensboro, North Carolina, (collectively referred to as "Assignors"), have invented certain inventions (the "Inventions") for which U.S. Design Patent Applications listed on the attached APPENDIX were filed (the "Patent Applications"); and

**WHEREAS**, Gerbings LLC, a limited liability company under and pursuant to the laws of the State of Delaware, having a principal place of business at 200 S. Henry Street, Stoneville, North Carolina (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to the Inventions and the Patent Applications.

**NOW, THEREFORE**, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignors hereby sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the Invention and Patent Applications, including all rights to damages for any and all past infringement, and in and to any and all direct and indirect divisions, continuations, continuations-in-part of said Patent Applications, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Patent Applications, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term for which each Letters Patent and applications for Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

**AND** for the same consideration, Assignors represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, Assignors are the lawful owner of a right, title and interest in and to said Invention and Patent Applications, and that the same are unencumbered. Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

**AND** for the same consideration, Assignors hereby agree to now and in the future sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of the Invention or Patent Applications, whenever

counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Invention and/or Patent Applications in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any of said Invention or Patent Applications or any reissue, reexamination or extension of any of said Invention or Patent Applications, to be obtained thereon, is lawful and desirable.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
