PATENT

**COMBINED DECLARATION AND ASSIGNMENT
FOR
UTILITY PATENT APPLICATION**

As the below named inventor, I hereby declare that:

(1) This declaration and assignment are directed to:

Title: AUDIO APPARATUS FOR PORTABLE DEVICES

- ☒ the specification of which is attached hereto; OR
- ☐ United States Patent Application or PCT International application number:
_____; filed on _____; as amended on (if applicable)
_____.

(I hereby authorize and request the Company or its designated attorneys, representatives or agents to insert above the application number and filing date of the application, or other pertinent information herein, when known.)

- (2) The above-identified application was made or authorized to be made by me.
- (3) I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.
- (4) I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five (5) years, or both.
- (5) I have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment referred to above.
- (6) I acknowledge the continuing duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability of this application, as defined in Title 37, Code of Federal Regulations, Section 1.56, including, for continuation-in-part applications, material information which becomes available between the filing date of the prior application and the filing date of the continuation-in-part application.

OATH:

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

ASSIGNMENT OF RIGHTS:

Whereas, I have invented certain new and useful improvements in the Invention identified above and described in the above-identified patent application(s) and/or patent(s) (hereinafter referred to as "Invention"); and,

Whereas I desire to assign my above-identified rights, title and interest in the Invention to the Assignee identified herein;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged, I,

Inventor(s) (assignor)

<i>Name</i>	<i>Address</i>
Antti Tapaninen	Iso Roobertinkatu 43 A 14, 00120 Helsinki, Finland

do hereby assign, sell and transfer to:

Assignee

<i>Name of Company</i>	<i>Address</i>
Applifier Oy	Kaisaniemenkatu 2b, 00100 Helsinki, Finland

herein referred to as the "Company", its successors and assigns, my entire rights, titles and interests in and to the Invention and improvements made or conceived by me described the application(s) listed above and in the following table:

<i>Country of Filing</i>	<i>Type of Filing</i>	<i>Application Number</i>	<i>Filing Date</i>	<i>Title</i>

(I hereby authorize and request the Company or its delegated attorneys, representatives or agents to insert above the relevant application number, filing date and other information required herein, when known.)

and any and all applications for patent or patents therefrom in any and all countries, including all divisions, continuations, and continuations-in-part, reexaminations, reissues and renewals thereof, and all benefits, rights of priority resulting from the filing of the application(s), and any and all Letters Patent of the United States, and countries foreign thereto, which may be granted or have granted for the Invention, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto the Company;

and I hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Letters Patent which may issue for the Invention to the Company, as assignee of the whole right, title and interest thereto;

Attorney Docket No.:

and I further agree to, without any further consideration, communicate to the Company or its representatives or nominees any facts known to me respecting the Invention and improvements and testify in any legal proceeding, make all rightful oaths, sign and execute all necessary and lawful future documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights in all countries including but not limited to, any provisional, non-provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, for any derivation proceedings relating thereto, and, as to any patents that issue from such applications, for any supplemental examination, derivation proceeding, opposition, post grant review, reissue, re-examination, inter partes review, or extension thereof, and generally do everything possible to aid the Company, its successors, assigns and nominees, to obtain and enforce proper patent protection for the Invention and its improvements in all countries.
