ASSIGNMENT

WHEREAS, the undersigned inventor (hereinafter "ASSIGNOR") of the address indicated below, has invented ETHYLENE FURNACE DECOKING METHOD Article for which an application for Letters Patent of the United States of America was filed as non provisional application U. S. Serial No. 13/615,554 on September 13, 2012, and which may become the subject of another United States of America or foreign patent application or any other type of intellectual property protection.

AND WHEREAS, SBT TECHNOLOGY, INC. (hereafter "ASSIGNEE"), a corporation organized and existing under and by virtue of the laws of the State of Texas having its principal place of business at 2809 West Lane Drive, Houston, Texas 77027 and a mailing address of same, is desirous of acquiring the entire worldwide right, title, and interest in, to and under said invention and in, to and under Letters Patent or similar legal protection including any intellectual property protections to be obtained therefor in the United States of America, its territorial possessions, and in any and all foreign countries;

NOW, THEREFORE, for ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR by these presents does sell, assign and transfer unto ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right, title and interest in the invention as described in the aforesaid application in the United States of America, its territorial possessions, and all foreign countries, and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof together with the right of priority under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and hereby authorizes and

requests the Commissioner for Patents to issue said Letters Patent to ASSIGNEE, for the sole use and benefit of ASSIGNEE, its successors, assigns and legal representatives,

AND HEREBY AGREES to transfer a like interest upon request of ASSIGNEE, its successors, assigns and legal representatives, and without further remuneration, in and to any improvements and applications for patents based thereon, growing out of or relating to the invention; and to provide all reasonable assistance and execute any papers deemed essential by ASSIGNEE, its successors, assigns and legal representatives, to ASSIGNEE's full protection and title in and to the invention hereby transferred,

AGREEING, FURTHERMORE, upon request of ASSIGNEE, and without further remuneration, to execute any and all papers desired by ASSIGNEE for the filing and granting of United States of America or foreign applications and the perfecting of title thereto in ASSIGNEE.

EXECUTED as of the date written below by ASSIGNOR:
