ASSIGNMENT OF RIGHTS IN INVENTION

Assignment made MAY 15, 1997, by JOHN LEWIS BERTHAULT
of 8887 WOODBINE, City of REDFORD TWP., County of
WAYNE, State of Michigan, herein referred to as Inventor, to Shaw & Slavsky,
Inc., a corporation organized under the laws of the State of Michigan, City of Detroit,
County of Wayne, State of Michigan, herein referred to as Assignee.

RECITALS

Inventor has invented certain new and useful developments and improvements
in ADJUSTABLE FRAMES, identified and described in Exhibit A, attached hereto,
herein referred to as the Invention. Assignee desires to acquire all right, title and
interest in the Invention and in letters patent of the United States and foreign countries
that may be granted thereon.

AGREEMENT

1. Assignment. In consideration of One Dollar (\$1.00) and
other consideration, receipt of which is acknowledged by Inventor,
Inventor assigns to Assignee the entire right, title, and interest in the
Invention and in any improvements on the Invention heretofore or
hereafter made or acquired by Inventor, and to all rights of priority
thereto pursuant to the International Convention for the Protection of
Industrial Property; and in any patents on the Invention and/or any
improvements that may be granted in the United States or any foreign
country, and in any applications for such patent, and to each reissue or
extension of the patent as fully as the same would have been held by
Inventor if this assignment had not been made.

PATENT

REEL: 030710 FRAME: 0025

2. Cooperation. Inventor covenants and agrees to cooperate with Assignee whereby Assignee may enjoy to the fullest extent the right, title, and interest herein conveyed. Such cooperation shall include:

Prompt execution of all documents, to be prepared at the expense of Assignee, that are deemed necessary or desirable to Assignee to perfect the right, title and interest herein conveyed.

Prompt execution of all petitions, oaths, specifications, declarations or other documents to be prepared at the expense of Assignee, that are deemed necessary or desirable by Assignee for prosecuting the applications for letters patent on the invention and the improvements specifically identified herein, for filing and prosecuting substitute, divisional, continuing, or additional applications in the United States and/or foreign countries covering the invention and/or the improvements, for filing and procuring applications for reissuance of letters patent included herein, or for interference proceedings involving the invention and/or the improvements.

Prompt assistance and cooperation in the prosecution of legal proceedings involving the invention and/or the improvements, the applications and patents granted thereon, including opposition, cancellation proceedings,

priority contests, public use proceedings and court actions; provided, however, that all reasonable expense that may be incurred by Inventor in lending such assistance and cooperation shall be paid by Assignee.

3. Parties. The terms and provisions of this Assignment shall inure to the benefit of Assignee, its successors, assigns, and/or other legal representatives, and shall be binding on Inventor, his heirs, legal representatives, and assigns.

4. Warranty. Inventor warrants and represents to Assignee that he has not entered into any assignment, contract, or understanding in conflict herewith.

IN WITNESS WHEREOF, Inventor has executed this Assignment at SHAW & SHAWSKY on the day and year first above written.
