NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of the sum of One United States Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto said ASSIGNEE, its successors, assigns, or other legal representatives, the full and entire right, title and interest in and to said invention and said provisional patent application, including the right of said ASSIGNEE, its successors, assigns or other legal representatives, to file any non-provisional patent applications and otherwise seek any patent in the United States claiming priority to said provisional patent application, and the right to file any and all divisional, continuation, and continuation-in-part applications corresponding to said non-provisional patent application, or the right to seek re-issues or extensions of any patent, with the same to be held and enjoyed by said ASSIGNEE as fully and entirely as the same would have been held by me had this Assignment and sale not been made; and

HEREBY AUTHORIZE and request the Commissioner of Patents and Trademarks to issue any patent and any reissues and extensions thereof to said ASSIGNEE in accordance with this Assignment; and

HEREBY AGREE that I, my heirs, successors, assigns or other legal representatives will at any time upon the request and at the expense of said ASSIGNEE, its successors, assigns, or other legal representatives execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention, said applications, and any patent that may be obtained therefor; and
