PATENT ASSIGNMENT

**Title of
Invention**

Method for Detecting a Wheel of a Vehicle

In consideration of good and valuable consideration, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned does hereby sell, assign and transfer unto:

Kapsch TrafficCom AG, (hereinafter referred to as "ASSIGNEE");
having a place of business at: Am Europlatz 2, A-1120 Wien,

the full and exclusive right to the said invention described in the following application:

European Patent Application No.: 12 175 290.1

Filed on: July 6, 2012

and including all foreign and US patent applications claiming priority thereto (hereinafter "Further Applications"), including the right to claim priority under the terms of the U.S. Patent Statutes, International Conventions and other relevant International Treaties and Arrangements from the aforesaid application, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of Letters Patents emanating from said Further Applications, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, their successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Upon said consideration, it is further agreed that, when requested, without charge to the undersigned but at the expense of said assignee, I agree that within reasonable effort, I will sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, and make all rightful oaths to aid said ASSIGNEE, their successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.

I hereby authorize and request my attorney to insert here in parentheses (13/929,446 , June 27, 2013) the application number of any such Further Application and filing date of said Further Application when known.
