AMENDMENT NO. 2 TO  
LICENSE AGREEMENT

This Amendment No. 2 to the License Agreement (this "Amendment No. 2"), effective as of December 11, 2007, is entered into by and between ALZA CORPORATION ("ALZA") and INTARCIA THERAPEUTICS, INC. ("Intarcia") to amend that certain License Agreement having an Effective Date of August 22, 2006 (the "License Agreement"), amended on October 22, 2007 as Amendment No. 1, by and between ALZA and Intarcia.

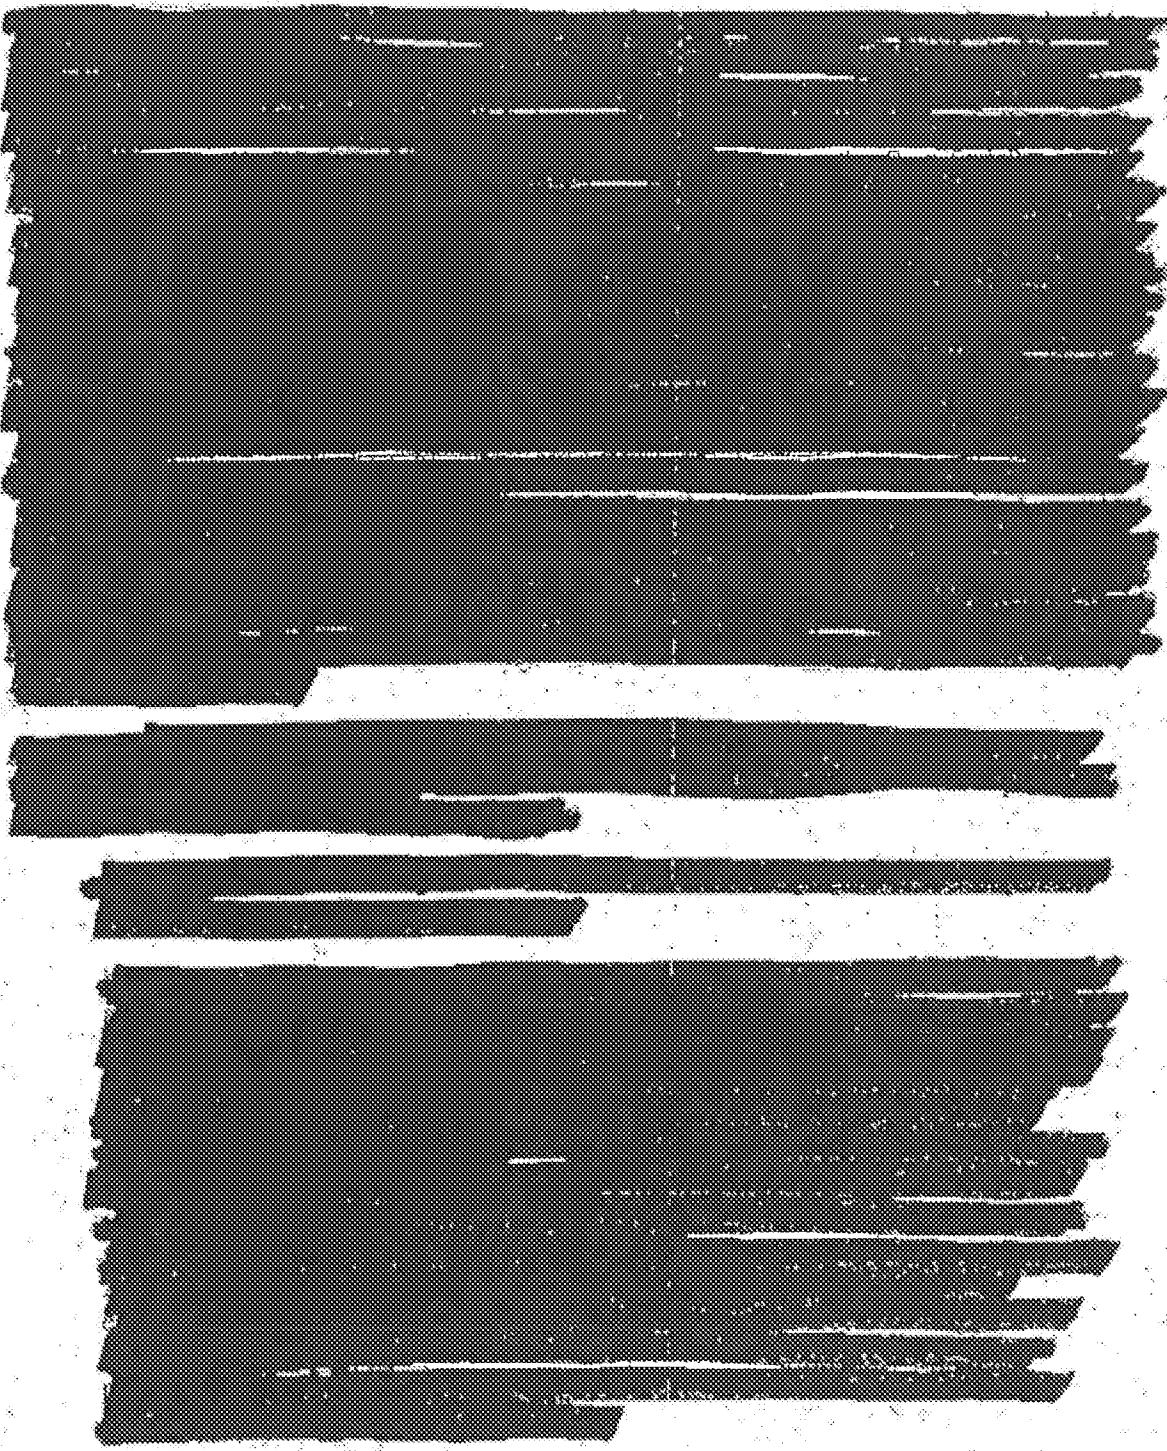

WHEREAS, ALZA has notified Intarcia that ALZA no longer intends to prosecute or maintain any of the patents/patent applications set forth on Exhibit E to the License Agreement and desires to assign certain patent rights to Intarcia previously referenced in the License Agreement as "Licensed Patents" and included in Exhibit E thereof;

WHEREAS, Intarcia desires to take assignment of certain patents/patent applications set forth on Exhibit E to the License Agreement; and

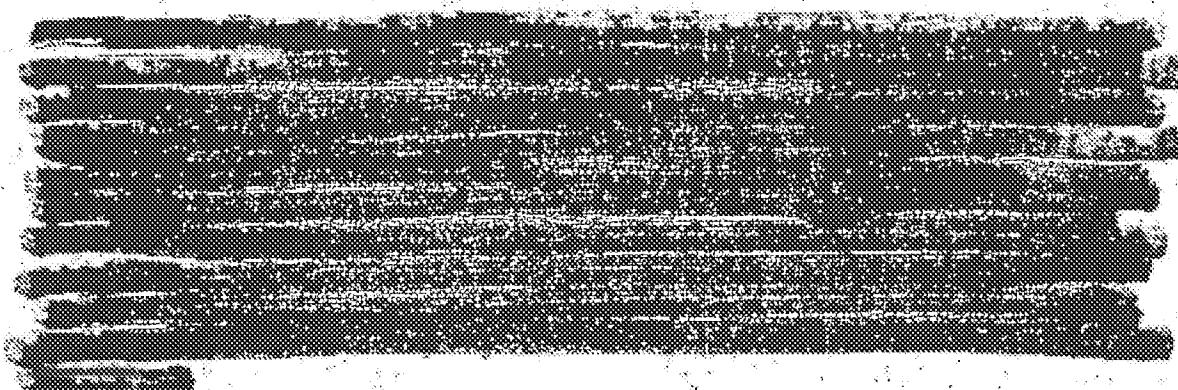

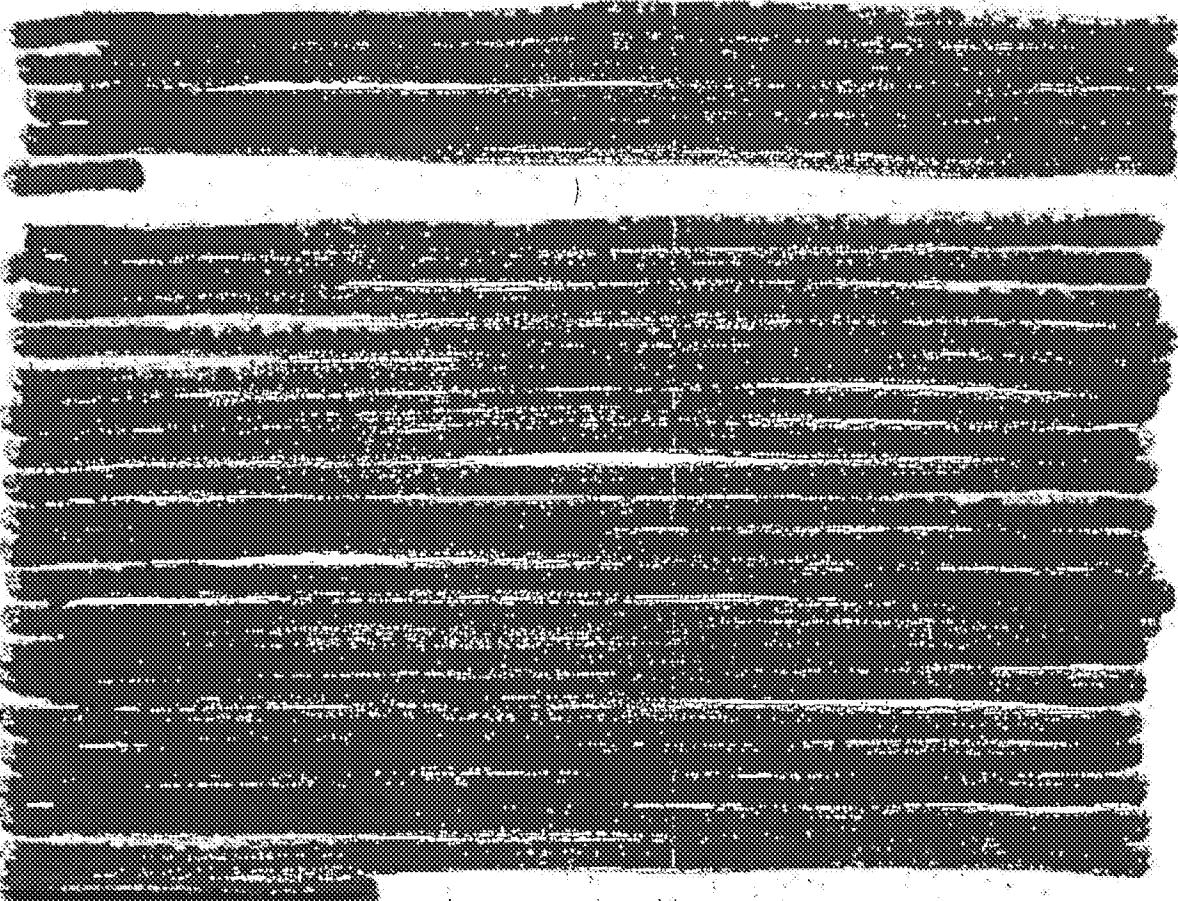

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the parties hereto agree as follows:

1. Capitalized Terms. Capitalized terms used but not defined or amended herein shall have the respective meanings given to such terms in the License Agreement and Amendment No. 1.
2. ALZA Assignment. As of the date set forth above, ALZA hereby assigns to Intarcia all of ALZA's right, title, and interest in and to the patents and patent applications expressly listed in the Exhibit 4 as attached herein (hereinafter "Specified Patents," to be included with those set forth on Exhibit 3 Amendment No. 1). Notwithstanding anything to the contrary, the scope of the assignment provided herein is expressly limited to the Specified Patents set forth in Exhibit 4. Nothing contained herein shall be construed to extend the scope of said assignment beyond the Specified Patents that are expressly referenced in Exhibit 4. This assignment shall be evidenced by an executed Assignment of Patents and Patent Applications, which shall be prepared by Intarcia at its sole expense, and filed by Intarcia at its sole expense, with the U.S. Patent and Trademark Office and its foreign counterparts as soon as reasonably practicable after the effective date of this Amendment No. 2. ALZA agrees to undertake any actions and execute and deliver any documents and instruments that are reasonably necessary to perfect Intarcia's title in and to the relevant Specified Patents in a timely manner, if so requested by Intarcia at Intarcia's sole expense. Pursuant to paragraphs 5 and 7 herein, Intarcia shall assume full responsibility for the Specified Patents on December 14, 2007.
3. Intarcia License Back. For the avoidance of doubt, it is the Parties' intent that this provision be construed in a manner that enables ALZA to meet its obligations under the DIRECT Agreement and the Bayer Agreements. Pursuant to paragraph 2.6 of the License Agreement, Intarcia hereby grants to ALZA an exclusive (even as to Intarcia), perpetual, worldwide, royalty-free, sublicenseable, fully paid license under the Specified Patents solely to make, have made, use, import, export, sell, offer for sale, and have sold any products outside the Field. Such license outside the Field is granted solely to the extent necessary (i) to enable a product with respect to which ALZA or an Affiliate is performing or has performed product

development activities for itself or a sublicensee, or (ii) for ALZA to fulfill its obligations to Bayer and/or DURECT under the Bayer Agreements or DURECT Agreement, respectively. The term of the licensee granted under Section 3(ii) herein shall only be until the expiration or termination of both the DURECT Agreement and the Bayer Agreements.

**PATENT**  
**REEL: 030729 FRAME: 0541**

9. Amendment to Amendment No. 1. The last sentence under Section 4 (Intarcia Grant-Back) of Amendment No. 1 is hereby deleted in its entirety and replaced with the following sentence: The term of the license granted under Section 4(ii) herein shall only be until the expiration or termination of both the DURECT Agreement and the Bayer Agreements.

10. Entire Agreement. Except as expressly amended herein, the terms of the License Agreement and Amendment No. 1 shall remain in full force and effect. The License Agreement (including the exhibits and schedules thereto) as amended by Amendment No. 1

and this Amendment No. 2, constitutes the entire agreement between ALZA and Intarcia with respect to the subject matter within and therein and supersedes all previous agreements and understandings between the Parties, whether written or oral. The License Agreement, Amendment No. 1, and this Amendment No. 2 may be altered, amended or changed only by a writing making specific reference to the License Agreement, Amendment No. 1, and this Amendment No. 2 and signed by duly authorized representatives of ALZA and Intarcia.

11. Governing Law; Dispute Resolution. Article 10 of the License Agreement shall apply to this Amendment No. 2.

12. Counterparts. This Amendment No. 2 may be executed in any two or more counterparts, each of which, when executed, shall be deemed to be an original and all of which together shall constitute one and the same document.

IN WITNESS WHEREOF, ALZA and Intarcia, by their duly authorized officers, have executed this Amendment No. 2 to the License Agreement as of the date first written above.
