ASSIGNMENT

WHEREAS, we, Charles M. Schmeichel of Jamestown, ND, a citizen of the United States; and Shawn J. Wock of Buchanan, ND, a citizen of the United States; have made certain new and useful inventions and improvements, disclosed and claimed in the patent application (the "Patent Application") entitled ROLL-UP TARP APPARATUS which was filed August 31, 2011, and assigned Application Number 13/222,714; which application is a continuation-in-part of United States Application Number 12/463,049, entitled ROLL-UP TARP APPARATUS, filed on May 8, 2009, and also claims benefit under 35 U.S.C. 119(e) of United States Provisional Application Number 61/378,618, also entitled ROLL-UP TARP APPARATUS, filed August 31, 2010;

AND WHEREAS, Agri-Cover, Inc., a corporation organized and existing under and by virtue of the laws of North Dakota, and having an office and place of business at 3000 Highway 281 SE, P.O. Box 508, Jamestown, ND 58401 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to any Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to said inventions, improvements and Patent Application and the underlying United States Provisional and Utility Applications, to which the Patent Application claims priority, and all inventions and improvements disclosed in the aforesaid Patent Application, and in and to any applications subsequently filed claiming priority to said Patent Application and all divisions, continuations, continuations-in-part or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues, re-examinations or extensions of such Letters Patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be

granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns, the entire right, title and interest in and to said inventions, improvements, applications, the Patent Application, the United States Provisional, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
