DELL INC.

Officer's Certificate and Release of Security Interests

July 8, 2013

The undersigned officer of Dell Inc., a Delaware corporation (the "Company"), hereby certifies on behalf of the Company as follows:

(1) Reference is made to: (a) that certain Promissory Note dated July 7, 2004 (the "Promissory Note"), made by Evergreen Assurance, Inc., a Delaware corporation ("Evergreen"), payable to the order of MessageOne Inc., a Maryland corporation ("MessageOne"); and (b) that certain Security Agreement dated July 7, 2004 (the "Security Agreement," and together with the Promissory Note and any related documents, the "Loan Documents"), by and between Evergreen and MessageOne, pursuant to which Evergreen granted to MessageOne a security interest in certain Collateral (as defined in the Security Agreement) in connection with its obligations under the Promissory Note.

(2) Pursuant to that certain Asset Purchase Agreement dated September 23, 2004 (the "Asset Purchase Agreement"), by and between Evergreen and MessageOne, MessageOne acquired from Evergreen and Evergreen assigned to MessageOne, *inter alia*, all right, title and interest to the following U.S. patents and patent applications, as well as the inventions embodied in such patents and patent applications (the "Patents"), and the good will associated with such Patents:

Country: US
Filed: September 9, 2003
Application No.: 10/657561

Country: PCT
Filed: September 9, 2003
Application No.: US03/27899

(3) As a result of the transactions contemplated by the Asset Purchase Agreement, MessageOne became both the owner of the Patents and related good will and the secured party to the extent of any security interests granted in the Patents and related good will pursuant to the Loan Documents.

(4) Effective on April 22, 2008, DII – Meteor, Inc., a wholly owned subsidiary of the Company, was merged with and into MessageOne, with MessageOne surviving as a wholly owned subsidiary of the Company (the "Dell – MessageOne Merger").

(5) Following the Dell – MessageOne Merger, MessageOne was merged into Dell Marketing USA LP ("DMULP"), a wholly owned subsidiary of the Company (the "DMULP Merger").

(6) Following the DMULP Merger, DMULP was merged into Dell Marketing LP (“DMLP”), a wholly owned subsidiary of the Company (the “DMLP Merger” and, together with the Dell – MessageOne Merger and the DMULP Merger, the “Mergers”).

(7) As a result of the Mergers, the Company, indirectly through its ownership of DMLP, became both the owner of the Patents and related good will and the secured party to the extent of any security interests granted in the Patents and related good will pursuant to the Loan Documents.

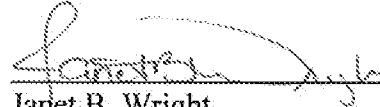

(5) The Company now hereby irrevocably and fully releases all liens, security interests and other encumbrances of every type at any time granted in the Patents and related good will pursuant to or in connection with the Loan Documents, and hereby terminates the same.

[signature page follows]

IN WITNESS WHEREOF, the undersigned has executed this Officer's Certificate and Release of Security Interests as of the date first set forth above.

DELL INC.,

on behalf of Dell Marketing LP
