ASSIGNMENT AND AGREEMENT

For value received, we, Juin-Hwey Chen, of Neshanic Station in the County of Somerset and State of New Jersey, and Craig Robert Watkins, of Latham ACT 2615 in the Country of Australia, hereby sell, assign and transfer to the AT&T CORP., a corporation of the State of New York, having an office at 32 Avenue of the Americas, New York, New York 10013-2412, U.S.A., and its successors, assigns and legal representatives, hereinafter collectively AT&T, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Linear Prediction Coefficient Generation During Frame Erasure Or Packet Loss** described in an application for Letters Patent of the United States, Serial No. 08/212475, filed March 14, 1994, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to AT&T the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize AT&T to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of AT&T to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to AT&T in the United States and to AT&T in all countries foreign to the United States, or to such nominees as they may designate.

Craig Robert Watkins
