SECURED PROMISSORY NOTE

\$1,600,000.00

PAID
MAR 2, 2004

April 3rd, 2004

FOR VALUE RECEIVED, Underground Solutions Technologies Group, Inc., a Pennsylvania corporation (the "Maker"), hereby promises to pay to the order of Duratron International, Inc., a Canadian corporation (the "Holder"), the principal sum of One Million, Six Hundred Thousand Dollars (\$1,600,000.00), together with simple interest thereon from the date of this Note on the unpaid principal balance. Interest shall accrue at a rate of six percent (6%).

This Promissory Note is issued in connection with that certain Intellectual Property Asset Purchase Agreement of even date herewith entered into by and between Maker, as Buyer and Duratron International, Inc., as Seller (the "Asset Purchase Agreement"). The terms and provisions of the Asset Purchase Agreement are hereby incorporated herein by reference.

1. Repayments and Prepayments.

(a) On the 15th day of each month, Maker shall, without demand by Holder, pay interest accrued by way of certified check pursuant to the terms of this Note in monthly installments.

(b) Maker shall pay principal in three installments. The first principal payment shall be in the amount of Five Hundred Fifty Thousand Dollars (\$550,000) (the "First Principal Payment") and shall be due and payable to Holder on June 1, 2004 (the "First Principal Payment Date"). The second principal payment shall be in the amount of Five Hundred Fifty Thousand Dollars (\$550,000) (the "Second Principal Payment") and shall be due and payable to the Holder on the first anniversary of the First Principal Payment Date (the "Second Principal Payment Date"). The third and final principal payment shall be in the amount of Five Hundred Thousand Dollars

(\$500,000) (the "Third Principal Payment") and shall be due and payable to the Holder on the second anniversary of the First Principal Payment Date (the "Third Principal Payment Date").

(c) All dollar amounts set out in this Promissory Note are in United States currency and all payments shall be made in lawful money of the United States of America at the principal office of the Maker, or at such other place as the Holder hereof may from time to time designate in writing to the Maker. Payment shall be credited first to the accrued interest then due and payable and the remainder applied to principal. Prepayment of principal, together with accrued interest, may be made without penalty upon thirty (30) days prior written notice to Holder.

(d) Upon payment in full of all principal and interest payable hereunder, this Note shall be surrendered to the Maker for cancellation.

2. Deferral Right. Maker shall have the right, in its sole discretion, to a one-time, ~~six-month~~ ^{Jan 31, 2005} deferral of the First Principal Payment Date to a date not later than December 31, 2004 (the "Alternate First Principal Payment Date"). In the event that Maker chooses to exercise its deferral right under this paragraph, (i) the First Principal Payment shall be increased to Six Hundred Fifty Thousand Dollars (\$650,000.00), (ii) the Second Principal Payment shall be increased to Six Hundred Fifty Thousand Dollars (\$650,000.00), (iii) the Third Principal Payment shall be increased to Six Hundred Thousand Dollars (\$600,000.00), (iv) this Promissory Note shall be amended to reflect the original outstanding principal balance of One Million Nine Hundred Thousand Dollars (\$1,900,000.00) and (v) the definition of Purchase Price in the Asset Purchase Agreement shall be amended to reflect a purchase price of Two Million Dollars (\$2,000,000.00).

3. Security Interest. As security for the full and timely payment of this Note and the performance by Maker of the obligations under this Note, Maker agrees that Holder shall have, and Maker hereby grants to and creates in favor of Holder a lien and purchase money security interest in the IP Collateral (as defined in the Asset Purchase Agreement) under the Uniform Commercial Code as in effect in the Commonwealth of Pennsylvania (the "Code") on the date hereof and as amended from time to time and also pursuant to the laws of any other jurisdiction to which the IP Collateral may pertain. The security interest granted by Maker to Holder by this Note shall be prior and superior to the rights of all third parties in the IP Collateral. Maker hereby represents and warrants that, as of the date hereof and until such time as Duratron receives payment of all principal and interest payable hereunder, Maker shall have sole ownership and title to the Intellectual Property Assets and, except for Holder's security interest therein, has and shall maintain thereto, free and clear of all other liens, restrictions, claims, charges, security interests, or other encumbrances of any nature whatsoever, including any mortgages, leases, chattel mortgages, conditional sales contracts, collateral security arrangements, or other title or interest retention arrangements.

MAR 21 2006

In addition to all rights and remedies given to Holder by this Note, Holder shall have all the rights and remedies of a secured party under the Code and also pursuant to the laws of any other jurisdiction to which the IP Collateral may pertain. This Note constitutes a security agreement under the Code and also pursuant to the laws of any other jurisdiction to which the IP Collateral may pertain. Maker agrees from time to time at the request of Holder to execute, file and/or record, or cause to be executed, filed or recorded, such instruments, documents and notices, including assignments, financing statements and continuation statements, as Holder may reasonably deem advisable or necessary in order to record, perfect, continue to perfect and preserve the priority of the lien and security interest(s) granted by this Note.

4. Events of Default; Acceleration.

- (a) Upon the occurrence of any one of the following events, the entire amount outstanding under this Note shall, at the option of the Holder, become immediately due and payable in full:
- (i) Failure of Maker to make any of the payments under this Note when due if such failure to pay continues for five (5) days after written notice by Holder of such failure to pay; or
 - (ii) Failure of Maker to comply with, perform or observe any one or more of its covenants or agreements under this Note if such failure continues for five (5) days after written notice by Holder of such failure; or
 - (iii) Any warranty, representation or statement made or furnished to Holder by or on behalf of Maker proves to have been false or misleading in any material respect when made or furnished or during such period as such representation and warranty was to have been true; or
 - (iv) Maker shall become insolvent or bankrupt, shall become generally unable to pay its debts as they become due, shall voluntarily suspend the transaction of its business, or shall make an assignment for the benefit of creditors; or
 - (v) The commencement by or against Maker of any bankruptcy, insolvency, liquidation, receivership or similar proceedings which, in the case of an involuntary proceeding, shall remain unstayed or undischarged for a period of thirty (30) days after its commencement; or
 - (vi) The breach by Maker of any of the material terms of the Asset Purchase Agreement or of sub-paragraph 4(b)(i) below.
- (b) If an Event of Default has occurred and has not been cured within the applicable cure period, if any, or waived by Holder in writing:

PATENT
MAR 27 2006
[Signature]

- (i) any and all licenses in aid to any or all IP Collateral granted by Maker to any licensees prior thereto shall be automatically terminated without the need for further notice to any such licensee. In the event that Maker grants to any third party any license to use any of the IP Collateral with a term exceeding twenty-four months (each such license, a "Long Term License") between the Closing and the Date of Discharge (as both such terms are defined by the Asset Purchase Agreement), Maker shall ensure that it is a term of any such Long Term License that such license will automatically terminate without notice to the licensee if an Event of Default has occurred under this Note and not been cured within the applicable cure period, if any. Further, in the event that Maker grants to any third party any license to use any of the IP Collateral between the Closing and the Date of Discharge, Maker shall not, without the consent of Holder, which shall not be unreasonably withheld, enter into a license agreement in which there is a restriction upon Maker's right to assign the license agreement; and,
- (ii) Holder may, at its option, (I) by written notice to Maker, declare the entire outstanding principal amount and accrued but unpaid interest thereon, immediately due and payable regardless of any prior forbearance, and (II) exercise any and all rights and remedies available to it under this Note, the Asset Purchase Agreement and applicable laws, including, without limitation, the Code. Such rights and remedies include, without limitation, the right to collect all sums due under this Note.

5. Miscellaneous.

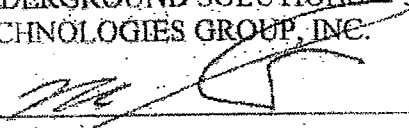

- (a) This Note shall be binding upon the Maker and its permitted successors and assigns, and shall inure to the benefit of the Holder's successors and assigns.
- (b) In no event shall the interest rate and other charges under this Note exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable hereto. In the event that a court determines that Holder has received interest and other charges under this Note in excess of the highest permissible rate applicable hereto, such excess shall be deemed received on account of, and shall automatically be applied to reduce, the outstanding principal amount hereunder and the provisions thereof shall be amended to provide for the highest permissible rate. If there is no outstanding principal amount under this Note, Holder shall refund such excess to the Maker.
- (c) This Note and the rights and obligations of the Maker, the Holder, or any subsequent holder of this Note shall be governed by, and shall be construed and enforced in accordance with, the internal laws of the Commonwealth of Pennsylvania, without regard to conflicts of law principles. No party hereto, Holder hereof, or beneficiary hereunder shall commence or prosecute any action, suit, proceeding or claim arising under or by reason of this Note other than in accordance with section 7.11 of the Asset Purchase Agreement.
- (d) The Maker hereby agrees, subject only to any limitation imposed by applicable law, to pay all expenses, including reasonable attorneys' fees and legal expenses, incurred by the Holder
