**ASSIGNMENT**

WHEREAS, we, ANOUAR JAMOSSI, ZHIYONG WANG, and BRUCE MAXFIELD (hereinafter referred to as "ASSIGNORS"), have made certain improvements or inventions described in a Patent Application titled INTERNAL AND EXTERNAL UNIVERSAL EMAT INSPECTION DEVICES AND RELATED METHODS, which is a non-provisional of and claims priority to and the benefit of U.S. Provisional Application 61/676,911, filed with the United States Patent and Trademark Office on July 28, 2012, and has executed the patent application for United States Letters Patent with the United States Patent and Trademark Office filed concurrently herewith (hereinafter "Patent Applications"); and

WHEREAS, itRobotics, Inc., a Delaware Corporation, having a place of business at 12841 Capricorn Street, Stafford, Texas 77477 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire right, title and interest in and to the aforesaid improvements or inventions throughout the world, and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world;

NOW, THEREFORE, for good and valuable consideration, receipt whereof is hereby acknowledged, we do hereby sell, assign and transfer to ASSIGNEE, its successors and assigns, all right, title and interest in and to said Patent Applications set forth above, the invention or inventions therein shown and described and any improvements on said invention or inventions heretofore or hereafter made throughout the world, any and all divisions, continuations, or continuations-in-part of said Patent Applications and all patents, United States and foreign, to be granted upon any such applications or for the invention or inventions thereof, any reissues, reexaminations, continuations, continuations-in-part or extensions of said patents, and all rights for past infringement related to any patents issued or to be issued thereon, the same to be held and enjoyed by them for their own use and benefit, and for the use and benefit of their successors, assigns, or other legal representatives, to the end of the term or terms for which patents are granted as fully and entirely as the same would have been held and enjoyed by the ASSIGNORS if this assignment and sale had not been made.

And we hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States on said invention or inventions resulting

from said Patent Applications and from any and all divisions, continuations, continuations-in-part, and any reissues thereof, to ASSIGNEE, as assignee of our entire interest, and hereby covenant that we have the full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith.

And we further hereby covenant and agree that we will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention or inventions and to such Letters Patent as may be granted therefor, to ASSIGNEE, its successors, assigns, or other legal representatives, and that if ASSIGNEE shall desire to file any divisional, continuation, or continuation-in-part applications or to secure a reexamination or reissue of such Letters Patent, or to file a disclaimer relating thereto, will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional, continuation, or continuation-in-part application, or such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation, but at the expense of said assignee, its successors, or other legal representatives.

And we do further covenant and agree that we will, at any time upon request, communicate to ASSIGNEE, its successors, assigns or other legal representatives, such facts relating to said invention or inventions and Letters Patent or the file history thereof as may be known to us, and testify as to the same in any interference or other litigation when requested so to do, without further compensation, but at the expense of said assignee, its successors, or other legal representatives.
