**CONFIRMATORY ASSIGNMENT OF PATENT RIGHTS**

**April 24, 2013**

WHEREAS, Alwyn Company, Inc. ("**Assignor**"), having a place of business at: 3285 Terminal Road, Suite B, Eagan, MN 55121, is the owner of the entire right, title and interest in and to U.S. Patent Applications and/or U.S. Patents attached hereto as Attachment 1 (the "**Patent Rights**") and the inventions claimed therein (the "**Inventions**"); and

WHEREAS, Scioderm, Inc. ("**Assignee**"), having a place of business at: 9650 Strickland Rd, Suite 103-146, Raleigh, NC 27615, is desirous of acquiring the full and exclusive right in and to said Inventions and all documents and things relating to the conception, reduction to practice and/or practice of the Inventions (the "**Related Documents**") and the entire right, title and interest in and to said Patent Rights, including any Letters Patent which may be granted therefor, in the United States and its territorial possessions and in any and all foreign countries, including any and all divisions, continuations, substitutions, renewals, re-examination, extension and reissues thereof, and any other applications claiming priority thereto;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor, by these presents, does sell, assign and transfer unto said Assignee the entire right, title and interest in and to said Inventions, Patent Rights, and Related Documents in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest, including the right to sue for past infringement, if any, and all rights pursuant to 35 U.S.C. §154, in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possession and in any and all foreign countries and in and to any and all divisions, continuations, substitutions, renewals, re-examination, extension and reissues thereof, and any other applications claiming priority thereto;

Without limiting the foregoing, Assignor shall, at the request and expense of Assignee, timely execute and deliver any additional documents and perform such additional acts that may be reasonably necessary or desirable to assist Assignee (or its successors, assigns or legal representatives) in the implementation, recordation or perfection of this Assignment and Assignee's interest in and to the said Inventions, Patent Rights, and Related Documents, including without limitation, in the (i) preparation and prosecution of any application for Letters Patent on said Inventions, (ii) prosecution or defense of any interference, opposition, cancellation, infringement or other action that may arise in connection with any of the Patent Rights or Letters Patent which may be granted therefor, including testifying as to any facts relating to the Patent Rights and this Assignment, and (iii) the execution and delivery of assignments for each Letters Patent and Patent Application corresponding to the Patent Rights for the purpose of recording the sale, conveyance, assignment, transfer and delivery to Assignee of said Patent Rights and in and to any patents issued thereon and patent applications to be filed therefor with the United States Patent and Trademark Office and any other applicable governmental authority worldwide.

Assignor hereby authorizes and requests any Patent Office official in the United States and its territorial possessions and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the assignee of the entire right, title and interest in and to the same, for the sole use and benefit of Assignee and Assignee's successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and

entirely as the same would have been held by Assignor had this assignment and sale not been made.
