(hereinafter designated as the Assignees) the undersigned's entire right, title and interest for the United States, its territories, dependencies and possessions, in the invention, and all application(s) for patent and any Letters Patent which may be granted therefore, known as

COMBINATION OF BIOMARKERS FOR THE PROGNOSIS OF RESPONSE OR NON-RESPONSE TO ANTI-HCV TREATMENT,

for which the undersigned have executed on even date herewith an application for patent in the United States of America, which was filed

on February 9, 2011 as PCT international application n° PCT/EP2012/052231.

The undersigned acknowledge an obligation of assignment of this invention to said Assignees at the time the invention was made.

The undersigned agree to execute all papers and documents necessary in connection with the application or any interference which may be declared and any continuing or divisional applications thereof and also to execute separate assignments in connection with such applications as the Assignees may deem necessary or expedient and further to perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignees.

The undersigned hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing applications thereof to the said Assignees, as Assignees of the entire interest, and hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute, any agreement in conflict herewith.

The undersigned hereby grant the firm of NIXON & VANDERHYE P.C. the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document. It is understood and agreed that Assignees' attorneys Nixon & Vanderhye P.C. have represented only Assignees and will continue to represent only Assignees with respect to this invention.

In witness whereof, executed by the undersigned on the date(s) opposite the undersigned signatures.
