THIS DEED is made on *15 December* 2010 BETWEEN:

PARTIES

- (1) Dr. Oren Scherman of 12 New Square, Cambridge CB1 1EY; and
- (2) Dezhi Jiao of Hughes Hall, Cambridge CB1 2EW; and
- (3) Nan Zhao of 5 Malcolm Street, Cambridge CB1 1LL; and
(the "Inventors"); and
- (4) THE CHANCELLOR, MASTERS AND SCHOLARS OF THE UNIVERSITY OF CAMBRIDGE of The Old Schools, Trinity Lane, Cambridge CB2 1TN ("University"); and
- (5) CAMBRIDGE ENTERPRISE LIMITED (Company Number 01069886) of The Old Schools, Trinity Lane, Cambridge CB2 1TN ("CE")

BACKGROUND

- (A) The Inventors as employees or students of the University have been engaged in research and have discovered, invented, created or produced the Technology some of which has become the subject of the Patents. 
- (B) The Inventors and the University now wish to procure the commercial exploitation of the Technology and assign the Intellectual Property Rights in respect of the Technology to CE for this purpose.
- (C) To facilitate commercial exploitation, the Inventors and the University wish to grant to CE a non-exclusive licence to the Know-How.
- (D) CE wishes to be assigned the Intellectual Property Rights and to be granted a licence of the Know-How, all for the purposes of commercial exploitation.
- (E) The arrangements for distribution of net income and equity between the Inventors, the University Department and Cambridge Enterprise as set out in the University's Ordinance graced on 12th December 2005 apply to the Technology.

OPERATIVE TERMS

The parties agree as follows:

1 Interpretation

- 1.1 In this Deed, the following words have the following meanings:

"Know-How" means all technical information, data, knowledge, techniques, processes, systems, algorithms, calculations, formulae, results of experimentation, designs, statistics, records and all confidential information and data developed by the Inventors as employees or students of the University and which relate to the use and exploitation of the Technology;

"Improvement" means any further development, work, discovery and creation made by the Inventors as employees or students of the University to any of the Technology from the date of invention until the date of filing of final applications, whether under the Patent Cooperation Treaty or otherwise;

"Intellectual Property Rights" means all intellectual property rights in any part of the world in or arising out of the making of the Technology by the Inventors as employees or students of the University and consisting of any patent, any other right in novel technology such as a utility model or petty patent, any plant variety right or plant patent, and any registered design for a product, any associated trade mark registration associated with another registerable right belonging to the University, and any other type of intellectual property that is dependent on registration, deposit, or grant, including without limitation the Patents;

"Patents" means the patent or patents for which application has been made, as set out in Schedule 2, together with any patents granted in the UK or overseas pursuant to the applications or to any applications which derive priority from, have equivalent claims to or are based on such applications, including without limitation any, continuations, continuations in part, extensions, reissues, divisions and supplementary protection certificates;

"Technology" means the technology in the areas described in Schedule 1 and any Improvement and;

"University's Ordinance" means the University's Ordinance on Intellectual Property Rights, graced on 12th December 2005.

- 1.2 In this Deed (except where the context otherwise requires):
- (a) any reference to a clause or schedule is to the relevant clause or schedule of or to this Deed and any reference to a sub-clause or paragraph is to the relevant sub-clause or paragraph of the clause or schedule in which it appears;
 - (b) the clause headings are included for convenience only and shall not affect the interpretation of this Deed; and
 - (c) any reference to "persons" includes natural persons, firms, partnerships, companies, corporations, associations, organisations, governments, states, foundations and trusts (in each case whether or not having separate legal personality).
- 1.3 If a provision of this Deed is inconsistent with a provision of a schedule to this Deed, the provision of this Deed prevails.
- 2 Assignment and Licence**
- 2.1 The Inventors and the University each assign to CE all rights they may have to:
- (a) the Intellectual Property Rights;
 - (b) apply for, prosecute and obtain protection for any of the Intellectual Property Rights and claim priority when filing further applications; and
 - (c) take actions and proceedings as may be necessary and recover damages or otherwise in respect of any infringement of the rights assigned by this Deed in respect of any infringements which occurred before the date of this Deed.
- 2.2 If an Improvement is discovered or created by the Inventors, the Inventors and the University shall promptly disclose full details of it to CE.
- 2.3 The Inventors and the University hereby grant an irrevocable, royalty-free world-wide, non-exclusive licence to use the Know-How, with the right to grant sub-licences to the whole or any part of the Know-How, to CE for all purposes in relation to exploitation of the Technology and Intellectual Property Rights and to the University for publication, teaching and academic research.

3 Use of the Technology

- 3.1 If CE enters into a licence, assignment or other agreement with a third party for the exploitation of any of the Technology, Intellectual Property Rights or Know-How, CE shall distribute to the Inventors that part of the income received by CE under that licence, assignment or other agreement, which is allocated to Inventors by the University's Ordinance, the application of which to such income is set out in Schedule 3.

- 3.2 Subject to clause 3.3, the Inventors and the University reserve the right to use the Intellectual Property Rights for the purposes of publication, teaching and academic research.

- 3.3 The Inventors shall not:

- (a) disclose particulars of the Technology or Intellectual Property Rights to any person except to CE and those bound by written obligations of confidence to the Inventors or to the University prior to filing of any patent application;
- (b) grant any rights to any third party to use or otherwise exploit any part of the Technology, Intellectual Property Rights or Know-How so as to diminish the rights granted by this Deed in any way; or
- (c) use the Intellectual Property Rights for any purpose other than publication, teaching and academic research.

4 Representations

- 4.1 The Inventors confirm that:

- (a) the Technology, Intellectual Property Rights and Know-How are their original work and have not been copied wholly or substantially from any other work or material;
- (b) they are the sole owners of the Technology, Intellectual Property Rights and Know-How; no other person was involved with the Inventors in the creation of the Technology; and apart from the University no other person has any legal or beneficial interest in the Technology or any right to share in any income derived from the Technology;
- (c) prior to filing of any patent application, they have not disclosed anything about the Technology or Intellectual Property Rights to any person except to those bound by written obligations of confidence to the Inventors or to the University;
- (d) they have not knowingly created any rights in favour of any third party so as to diminish the rights granted by this Deed and to the best of the Inventors' knowledge and belief the exercise by CE of the rights given to it by this Deed will not infringe the rights of any third party;
- (e) they are not aware of anything, and have not done or omitted to do anything which they know would affect the validity or enforceability of the Intellectual Property Rights or cause the Intellectual Property Rights to be revoked.

- 4.2 The University makes no representation and gives no warranty in any way in relation to any of the Technology, Intellectual Property Rights or Know-How and any representations, or warranties given by the University (express or implied) are excluded to the maximum extent permitted by law.

5 Further steps

- 5.1 The Inventors and the University shall, at the request of CE, use all reasonable endeavours to do or procure to be done all further acts and things and execute or procure the execution and delivery of all other documents as CE may from time to time reasonably require for the purposes of giving CE the full benefit of the assets, rights and benefits transferred to CE under this Deed including assisting CE:
- (a) in the resolution of any queries concerning the Technology, Intellectual Property Rights and Know-How;
 - (b) in the protection or commercial exploitation of the Technology, Intellectual Property Rights and licence of the Know-How; and
 - (c) by providing assistance and information as CE may require in connection with any third party claim, action or proceeding brought against CE or any of CE's licensees or assignees concerning the Technology, Intellectual Property Rights or Know-How.
- 5.2 CE will consult with the Inventors about exploitation of the Intellectual Property Rights and the Know-How.

6 General

- 6.1 A provision of this Deed or any right created under it cannot be waived or varied except in writing signed by the parties.
- 6.2 The Inventors and the University each severally and irrevocably appoint CE as its attorney to sign, execute and deliver on its behalf all deeds and documents and do all acts and things necessary to give effect to the terms of this Deed and for vesting in CE the full benefit of the assets, rights and benefits to be transferred to CE under this Deed.
- 6.3 Any notice to be given under this Deed shall be in writing and delivered by hand, prepaid registered post or facsimile to the party using the details set out in this Deed. A party who gives a notice to the University under this Deed shall send a copy of that notice to CE at the address or fax number set out below.

- 6.4 Except in the case of fraud or fraudulent misrepresentation, this Deed constitutes the entire agreement and understanding of the parties and supersedes all negotiations, understandings or previous agreement between the parties relating to the subject matter of this Deed.
- 6.5 Unless the contrary intention appears, a reference in this Deed to:
- (a) an agreement, representation or warranty in favour of two or more persons is for the benefit of them jointly and each of them individually; and
 - (b) an agreement, representation or warranty by two or more persons binds them jointly and each of them individually but an agreement, representation or warranty of the University binds the University individually only.
- 6.6 This Deed and any documents to be entered into pursuant to it shall be governed by and construed in accordance with English law and the parties hereby irrevocably agree that the English courts shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed except that a party may seek an interim injunction in any court of competent jurisdiction.
- 6.7 This Deed may consist of a number of copies, each signed by one or more parties to the Deed. If so, the signed copies are treated as making up the one and the date on which the last counterpart is executed will be the date of the Deed.
- 6.8 This instrument:
- (a) is executed as a deed and by its execution the parties authorise their solicitors to deliver it for them when it is dated; and
 - (b) was delivered when it was dated.
