ASSIGNMENT

THIS ASSIGNMENT, by Casey C. Case (hereinafter referred to as the assignor), residing at San Mateo, California witnesseth:

WHEREAS, the said assignor has invented certain new and useful improvements in METHODS AND COMPOSITIONS FOR TREATMENT OF TRAUMATIC BRAIN INJURY AND FOR MODULATION OF MIGRATION OF NEUROGENIC CELLS set forth in an application for Letters Patent of the United States, bearing Application No. 13/800,585, and filed on March 13, 2013; and

WHEREAS, SanBio, Inc. a corporation duly organized under and pursuant to the laws of California, and having its principal place of business at 231 S. Whisman Road, Mountain View, California, 94041-1522 (hereinafter referred to as the assignee) is desirous of acquiring the assignor's right, title and interest in and to said inventions and said application for Letters Patent of the United States, any application for Letters Patent that claims the benefit of the filing date of said application, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, the said assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the assignee, its successors, legal representatives and assigns, his right, title and interest in and to the above-mentioned inventions, patent application, any application for Letters Patent that claims the benefit of the filing date of the application, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and

thereon, and in and to any and all divisions, continuations, and continuations-in-part of any application that claims the benefit of the filing date of the application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Union for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignor, had this sale and assignment not been made.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignor's right, title and interest in and to the said inventions and the provisional application for Letters Patent above-mentioned, are unencumbered and that the said assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, the said assignor hereby covenants and agrees to and with the said assignee, its successors, legal representatives and assigns, that the said assignor will, whenever counsel of the said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said provisional application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent that claims the benefit of the filing date of the provisional application, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to
