Partnership Agreement of QNX Software Systems GmbH & Co. KG

Preamble

The partnership was established on October 20, 2004, as a general partnership, pursuant to the laws of the province of Ontario, Canada on the basis of a general partnership agreement entered into between the partners, 3091794 Nova Scotia Company and QNX Software Systems Ltd. 3091794 Nova Scotia Company paid-in its fixed capital interest by various cash contributions and QNX Software Systems Ltd. by a cash contribution and a contribution in kind by the transfer of assets pursuant to an asset transfer agreement, dated October 23, 2004. On January 1, 2005, QNX Software Systems Ltd. merged with Harman Canada Co. and, effective from that date, operates under the name of QNX Software Systems Co. Effective August 26, 2005, 3091794 Nova Scotia Company changed its name to QNX Software Systems Canada Corporation. On September 1, 2005, the partnership was continued and registered as a limited partnership in accordance with the Limited Partnerships Act (Ontario, Canada) with QNX Software Systems Canada Corporation as the general partner. On September 30, 2005, at 23:59 p.m. EDT/October 1, 2005, at 5:59 a.m. CEST, the headquarter office of the partnership was relocated to Karlsbad, Germany through the sale and transfer of QNX Software Systems Canada Corporation's capital interest in the partnership to Harman Software Technology Management GmbH (with registered seat in Karlsbad, Germany). In doing so, the partnership was continued and converted into a general partnership pursuant to German law. The partners Harman Software Technology Management GmbH and QNX Software Systems Co. henceforth intend to convert the partnership into, and continue the partnership as, a limited partnership (*Kommanditgesellschaft*) with QNX Software Systems Co., as the limited partner (*Kommanditist*), and therefore, immediately after the transfer QNX Software Systems Canada Corporation's capital interest in the partnership to Harman Software Technology Management GmbH, enter into the following partnership agreement and act vis-à-vis third parties under QNX Software Systems GmbH & Co. KG:

The loan account shall bear 7% interest per annum for debit and credit according to the sliding-scale method. The interest is deemed, in the partners' internal relation, as expense or income, respectively.
4. The contributions, which are not paid into the fixed capital, and the non-distributable profit shares shall be booked on the joint reserve account. The partners shall participate in the account in proportion to their fixed capital interest. The account bears no interest. 3. The remuneration for expenses and costs according to Paragraph 1 and the advance compensation according to Paragraph 2 are to be treated as expense in the partners' internal relations.

Article 7
Partners' Resolutions

1. The decisions to be made by the partners with respect to the partnership shall be made by resolution.
2. Unless otherwise expressly provided in the law or the partnership agreement, partners' resolutions, which either modify or amend the partnership agreement or dissolve the partnership, as well as resolutions with respect to the withdrawals of funds from the loan account (Article 10) need to be approved unanimously; all other partners' resolutions require a majority of all, according to the partnership agreement, present and authorized votes.
3. Each EURO 1,000.00 of a fixed capital interest grants one vote. A partner, whose actions are to be approved or which shall be released from a liability by resolution, has no voting right with respect to such resolution and may not exercise voting rights on behalf of another partner. This also applies to conclusion of a legal transaction or the initiation or settlement of a legal dispute against a partner.

2. The profit shares shall be credited to loan accounts of the partners to the extent not otherwise provided in the following provisions.
3. If, and to the extent, a loss carry-forward is charged on the loss-carry-forward-account, it shall be compensated for by future profits. The profit shares may not be credited to the capital reserve account or loan account so long as a loss carry forward is charged on the loss-carry-forward-account.
4. The partners may decide, prior to or at the time of approving the annual financial statements, by a majority of the votes present according to this partnership agreement that a percentage of the profit, however, no more than 30%, shall be credited to the capital reserve account.

Article 10

4. If a partner withdraws from the partnership without a liquidation taking place, the remaining partners shall, upon resolution, continue the partnership under the existing partnership name. If only one partner remains after a partner's withdrawal, then the partnership's property, including all assets and liabilities, as well as the right to continue the partnership, shall without liquidation be transferred to the one remaining partner.
5. Any partner who withdraws from the partnership shall receive a severance payment. The following shall apply to the amount of such compensation and its payment:
 - a) The amount of the severance payment shall be equal to the balance of the partners' accounts (Article 4, para. 1), to be determined on the date of withdrawal according to the rules applicable to the annual financial statement.
 - b) The severance payment shall be paid in five equal annual installments. The first installment shall be due three months after the partner's withdrawal. If the amount of the severance payment has not yet been determined, then a reasonable partial payment in an amount to be fixed by the partnership shall be made. As of the date of withdrawal the severance payment shall bear interest in the rate of 2% over the interest rate for long-term refinancing transactions (LRG-rate) of the European Central Bank. The accrued interest is to be paid with each installment. The partnership shall be entitled to pay the severance payment, in full or in part, at an earlier date.
6. If the annual financial statement of the partnership for the period up to the time of the withdrawal of the partner are amended due to an external tax audit of the partnership, or due to other amendments as the result of another initiated assessment, then the partners' accounts shall be amended accordingly and the severance payment shall be amended correspondingly.
