PATENT SECURITY AGREEMENT

THIS PATENT SECURITY AGREEMENT, dated as of August 14, 2013, is made by ECO HOLDINGS, LLC, a Florida limited liability company ("Grantor"), in favor of HUT SPA, LLC, a Florida limited liability company ("Secured Party").

WITNESSETH:

WHEREAS, pursuant to the Secured Convertible Promissory Note, dated as of August 14, 2013 (as the same may be amended, restated, supplemented and/or modified from time to time, the "Note"), by and between Grantor, Eco Concepts, Inc., a Florida corporation and Secured Party, Secured Party has agreed to make an extension of credit to Grantor upon the terms and subject to the conditions set forth therein;

WHEREAS, Grantor has agreed, pursuant to a Security Agreement of even date herewith in favor of Secured Party (and such agreement may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), to guarantee the Obligations (as defined in the Note) of Grantor; and

WHEREAS, pursuant to the Security Agreement Grantor is required to execute and deliver this Patent Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce Secured Party to enter into the Note and to induce Secured Party to make the extension of credit to Grantor thereunder, Grantor hereby agrees with Secured Party as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. Grant of Security Interest in Patent Collateral. Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of Grantor, hereby mortgages, pledges and hypothecates to Secured Party, and grants to Secured Party a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor (the "Patent Collateral"):

(a) all of its Patents and all IP Licenses providing for the grant by or to Grantor of any right under any Patent, including, without limitation, those referred to on Schedule 1 hereto;

(b) all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals and extensions of the foregoing; and

(c) all income, royalties, and proceeds at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Security Agreement. The security interest granted pursuant to this Patent Security Agreement is granted in conjunction with the security interest granted to Secured Party pursuant to the Security Agreement and Grantor hereby acknowledges and agrees that the rights and remedies of Secured Party with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Patents and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Patent Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Patent Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of Florida.

Defined Terms:

“Contractual Obligations” means, as to any Person, any provision of any security (whether in the nature of Stock, Stock Equivalents or otherwise) issued by such Person or of any agreement, undertaking, contract, indenture, mortgage, deed of trust or other instrument, document or agreement (other than a document) to which such Person is a party or by which it or any of its Property is bound or to which any of its Property is subject.

“Copyrights” means all rights, title and interests (and all related IP Ancillary Rights) arising under any Requirement of Law in or relating to copyrights and all mask work, database and design rights, whether or not registered or published, all registrations and recordings thereof and all applications in connection therewith.

“Governmental Authority” shall mean any nation, sovereign or government, any state or other political subdivision thereof, any agency, authority or instrumentality thereof and any entity or authority exercising executive, legislative, taxing, judicial, regulatory or administrative functions of or pertaining to government, including any central bank, stock exchange, regulatory body, arbitrator, public sector entity, supra-national entity and any self-regulatory organization.

“Intellectual Property” means all rights, title and interests in or relating to intellectual property and industrial property arising under any requirement of law and all IP Ancillary Rights relating thereto, including all Copyrights, Patents, Trademarks, Internet Domain Names, Trade Secrets and IP Licenses.

“IP Ancillary Rights” means, with respect to any Intellectual Property, as applicable, all foreign counterparts to, and all divisionals, reversions, continuations, continuations-in-part, reissues, reexaminations, renewals and extensions of, such Intellectual Property and all income, royalties, proceeds and liabilities at any time due or payable or asserted under or with respect to any of the foregoing or otherwise with respect to such Intellectual Property, including all rights to sue or recover at law or in equity for any past, present or future infringement, misappropriation, dilution, violation or other impairment thereof, and, in each case, all rights to obtain any other IP Ancillary Right.

“IP License” means all Contractual Obligations (and all related IP Ancillary Rights), whether written or oral, granting any right, title and interest in or relating to any Intellectual Property.

“Internet Domain Name” means all right, title and interest (and all related IP Ancillary Rights) arising under any Requirement of Law in or relating to internet domain names.

“Organization Documents” means, (a) for any corporation, the certificate or articles of incorporation, the bylaws, any certificate of determination or instrument relating to the rights of preferred shareholders of such corporation and any shareholder rights agreement, (b) for any partnership, the partnership agreement and, if applicable, certificate of limited partnership, (c) for any limited liability company, the operating agreement and articles or certificate of formation or (d) any other document setting forth the manner of election or duties of the officers, directors, managers or other similar persons, or the designation, amount or relative rights, limitations and preference of the Stock of a Person.

“Patents” means all rights, title and interests (and all related IP Ancillary Rights) arising under any Requirement of Law in or relating to letters patent and applications therefor.

“Person” means any individual, general partnership, limited partnership, limited liability company, limited liability partnership, corporation, trust, estate, real estate investment trust, association, or other entity.

26. ADDITIONAL COLLATERAL DESCRIPTION:

“Pledged Certificated Stock” means all certificated securities and any other Stock or Stock Equivalent of any Person evidenced by a certificate, instrument or other similar document (as defined in the UCC), in each case owned by either Debtor, and any distribution of property made on, in respect of or in exchange for the foregoing from time to time.

“Pledged Collateral” means, collectively, the Pledged Stock and the Pledged Debt Instruments.

“Pledged Debt Instruments” means all right, title and interest of either Debtor in instruments evidencing any indebtedness owed to either Debtor or other obligations owed to either Debtor, and any distribution of property made on, in respect of or in exchange for the foregoing from time to time.

“Pledged Stock” means all Pledged Certificated Stock and all Pledged Uncertificated Stock.

“Pledged Uncertificated Stock” means any Stock or Stock Equivalent of any Person that is not Pledged Certificated Stock, including all right, title and interest of either Debtor as a limited or general partner in any partnership not constituting Pledged Certificated Stock or as a member of any limited liability company, all right, title and interest of either Debtor in, to and under any Organization Document of any partnership or limited liability company to which it is a party, and any distribution of property made on, in respect of or in exchange for the foregoing from time to time.

“Property” means any interest in any kind of property or asset, whether real, personal or mixed, and whether tangible or intangible.

“Requirement of Law” shall mean with respect to any Person, the common law and any federal, state, local, foreign, multinational or international laws, statutes, codes, treaties, standards, rules and regulations, guidelines, ordinances, orders, judgments, writs, injunctions, decrees (including administrative or judicial precedents or authorities) and the interpretation or administration thereof by, and other determinations, directives, requirements or requests of, any Governmental Authority, in each case whether or not having the force of law and that are applicable to or binding upon such Person or any of its Property or to which such Person or any of its Property is subject.

“Stock” means all shares of capital stock (whether denominated as common stock or preferred stock), equity interests, beneficial, partnership or membership interests, joint venture interests, participations or other ownership or profit interests in or equivalents (regardless of how designated) of or in a Person (other than an individual), whether voting or non-voting.

“Stock Equivalents” means all securities convertible into or exchangeable for Stock or any other stock equivalent and all warrants, options or other rights to purchase, subscribe for or otherwise acquire any Stock or any other stock equivalent, whether or not presently convertible, exchangeable or exercisable.

“Trademark” means all rights, title and interests (and all related IP Ancillary Rights) arising under any Requirement of Law in or relating to trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers and, in each case, all goodwill associated therewith, all registrations and recordations thereof and all applications in connection therewith.

“Trade Secrets” means all right, title and interest (and all related IP Ancillary Rights) arising under any Requirement of Law in or relating to trade secrets.
