ASSIGNMENT

For valuable consideration, I, HERNÁN LUIS Y PRADO of 2383 Geranium Street, San Diego, CA 92109, hereby assign to WORKSHOPS FOR WARRIORS, a corporation of California having a place of business at 2970 Main Street, San Diego, CA 92113, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are subject of either or both of a United States patent application entitled SECURING LOADS TO PALLETS, filed July 17, 2013, and assigned U.S. Application Number 13/944,690; and a PCT patent application entitled SECURING LOADS TO PALLETS, filed July 17, 2013, and assigned PCT Application Number PCT/US2013/050900, and I authorize and request the attorneys appointed in said U.S. application and said PCT application to hereafter complete this assignment by inserting above the filing dates and serial numbers of said U.S. application and said PCT application when known.

This assignment includes said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for myself and my heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
