ASSIGNMENT

WHEREAS, I, John P Greene, residing at 728 Marshall St. Eau Claire, WI 54703, have invented new and useful improvements in:

SOLID THERMAL SIMULATOR SENSING DEVICE AND METHOD OF CALIBRATION THEREOF

Having Docket Number: COOPE-NON-02, for which I am making application for Letters Patent of the United States, the application for which is being executed by me on the 16th day of August 2013.

WHEREAS, Cooper-Atkins Corporation, a Connecticut corporation, having a place of business at 33 Reeds Gap Road, Middlefield, CT 06455-0450, is desirous of acquiring the entire right, title and interest in and to said improvements and any Letters Patent which may be granted thereon;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of the sum of One (1) Dollar to us in hand paid and other good and valuable consideration, receipt of which is hereby acknowledged, I, the said John P Greene sell, assign and transfer to Cooper-Atkins Corporation, its successors and assigns (hereinafter called "Assignee"), the entire right, title and interest in and to said improvements and in and to any Letters Patent which may be obtained thereon in the United States and in all countries foreign thereto, together with said application and all divisional, continuing, substitute, renewal, reissue, and other applications for Letters Patent which have been or may be filed on said improvements in the United States or any other country; the same to be held and enjoyed by the Assignee for its and their sole use and behoof; and I do hereby further assign to the Assignee the right to file applications for patent in all countries on said improvements and all rights of priority resulting from any application for Letters Patent filed on said improvements.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters Patent of the United States on said improvements to the Assignee.

I further covenant and agree that when requested by the Assignee, and without further consideration, but at the cost and expense of the Assignee, I will, for any and all countries, execute and deliver all applications for patent on said improvements, execute all lawful oaths and other papers, supply to the Assignee all facts and evidence known to us relating to said improvements and the history and development thereof, testify in all interferences, suits and other legal proceedings, and generally do everything rightful which the Assignee shall consider desirable for aiding in securing, maintaining, and enforcing proper patent protection for said improvements and for vesting the title to said improvements in the Assignee.

I further covenant that we have the lawful right to assign the interest in said improvements in the manner and form as herein express and that the interests herein

conveyed are free from prior assignment, grant, mortgage, license, or other encumbrances whatsoever.

IN WITNESS WHEREOF, I have hereunto set my hand and seal as of and for this 16 day of August 2013.

John P Greene

State of Wisconsin)
) ss:
County of Eau Claire)

On this 16th day of August 2013, before me personally appeared John P Greene, who acknowledged that he signed the within instrument and that he executed the same as his own free act and deed.
