ASSIGNMENT

WHEREAS, I, **Johan Skjellerup**, a citizen of Denmark, residing at **16312 Braeburn Ridge Trail, Delray Beach, Florida - USA**, have made and/or contributed to several inventions for security tags and systems, and have executed patent applications for Letters Patents of the United States of America and other countries based upon my inventions, some of which have been granted Letters Patents, as identified in the attached Schedule A;

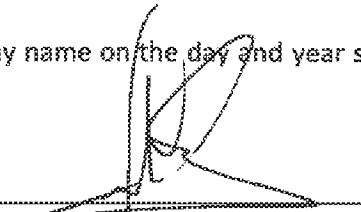

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto **Braeburn Asset Holdings, LLC**, a Nevis Limited Liability Company, c/o ATC Trustees (Bahamas) Ltd., a Bahamas corporation, having its principal office at Providence House, Ground Floor—East Wing, East Hill Street, Nassau, Bahamas, its successors and assigns, for the territory of the United States of America, and for all foreign countries, the entire right, title and interest in and to said inventions, patent applications, and Letters Patents, listed in the attached Schedule A, and in and to any division, continuation or continuation-in-part of said applications, and in and to any and all Letters Patents and reissues and extensions thereof, in the United States of America and countries foreign thereto (including the right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made, including the right to sue for all past and future damages related thereto;

I do further agree for me and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to

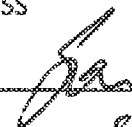

perform such other acts as I lawfully may, that may be deemed necessary by Braeburn Asset Holdings, LLC, its successors, assigns, and nominees, to fully secure its interest as aforesaid and to obtain or maintain Letters Patents in any and all countries;

I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patents which may be granted upon any of the said applications, to Braeburn Asset Holdings, LLC, as the assignee of the entire interest therein.

IN WITNESS WHEREOF, I have hereunto signed my name on the day and year set forth below.

SCHEDULE A

ASSIGNMENT

WHEREAS, I, Eddie L. Stenild, a citizen of Denmark, residing at **Søndre Røsevej 10, 2791 Dragør - DENMARK**, have made and/or contributed to several inventions for security tags and systems, and have executed patent applications for Letters Patents of the United States of America and other countries based upon my invention, some of which have been granted Letters Patents, as identified in the attached Schedule A;

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto **ES HOLDING DRAGØR APS**, a corporation, having its principal office at **Søndre Røsevej 10, 2791 Dragør - DENMARK**, its successors and assigns, for the territory of the United States of America, and for all foreign countries, the entire right, title and interest in and to said inventions, patent applications, and Letters Patents, listed in the attached Schedule A, and in and to any division, continuation or continuation-in-part of said applications, and in and to any and all Letters Patents and reissues and extensions thereof, in the United States of America and countries foreign thereto (including the right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made, including the right to sue for all past and future damages related thereto;

I do further agree for me and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by **ES HOLDING**

DRAGØR APS, its successors, assigns, and nominees, to fully secure its interest as aforesaid and to obtain or maintain Letters Patents in any and all countries;

I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patents which may be granted upon any of the said applications, to ES HOLDING DRAGØR APS, as the assignee of the entire interest therein.

IN WITNESS WHEREOF, I have hereunto signed my name on the day and year set forth below.
