PATENT AND INVENTION ASSIGNMENT

WHEREAS, the undersigned:

Steven D. Kerr, a citizen of United States of America, residing at 708 Creekgarden Court, Atlanta, Georgia 30339 (hereinafter referred to as “**Assignor**”), has invented certain inventions and improvements disclosed in an application for Letters Patent entitled **ELECTRONIC PERCUSSION INSTRUMENT**, which was filed in the United States Patent and Trademark Office on June 10, 2013, assigned Application Serial No. 13/913,675 (the “**Application**”); and

WHEREAS, it is agreed that **Simply Sound**, a Partnership of the State of Georgia, having its principal place of business at 708 Creekgarden Court, Atlanta, Georgia 30339, is entitled to or is desirous of acquiring all right, title, and interest related to the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Assignor**, by this presence, does sell, assign, and transfer unto **Simply Sound**, the full, exclusive, and entire right, title, and interest: (i) in and to all inventions and improvements disclosed and described in said Application, (ii) in and to said Application, (iii) in and to all divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefor, (iv) in and to all patents of the United States which may be granted on the foregoing and all reissues and extensions thereof, (v) in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from any of the afore-mentioned patent applications; and **Assignor** does hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said application, or from a division, continuation, continuation-in-part, or reissue thereof, to **Simply Sound** as Assignee, for its interest and for the sole use and behoof of **Simply Sound** and its assigns and legal representatives; and

For the same consideration, **Assignor**, by this presence does sell, assign and transfer to **Simply Sound** the full, exclusive and entire right, title, and interest in and to any and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates and designs, (the “**Foreign Applications**”) filed or which are hereafter filed in countries foreign to the United States and describing in whole or in part the said inventions and improvements, in and to any Patents and similar protective rights granted on said Foreign Applications, and in and to the right to file such applications and the right to claim any applicable priority rights arising from or required for said Foreign

Applications under the terms of any applicable conventions, treaties, statutes, or regulations; said Foreign Applications to be filed and issued in the name of **Simply Sound** or its respective designees, insofar as permitted by applicable law; and

For the same consideration, **Assignor** agrees to communicate to the said **Simply Sound**, its successors, legal representatives and assigns, any facts known to **Assignor** respecting said invention, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Simply Sound**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
