NOW THEREFORE, it is agreed that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Theodore D. Renderer, have sold, assigned and transferred, and hereby do sell, assign and transfer unto Straphook, LLC, a limited liability company of Missouri, having a principal place of business of 3930 Regalway Drive, St. Louis, Missouri 63129, all of my right, title and interest in said inventions in the United States of America and all foreign countries and in and to said patent applications and all patent applications, divisions, substitutions, and continuations, and in all patents which may be granted thereon and all reissues and extensions thereof, and in all priority rights under the International Convention for the Protection of Industrial Property for every member country, and in all applications for patents (including related rights such as utility-model registrations, inventor's certificates and the like) heretofore or hereafter filed for said invention in any foreign countries, and in all patents (including all extensions, renewals and reissues thereof) granted for said invention; said applications and patents to be held and enjoyed by Straphook, LLC, for its own use and for the use of its successors and assigns, to the full end of the term for which Letters Patent on same may be granted, as fully and entirely as the same would have been held by said inventor had this assignment and sale not been made.
