### ASSIGNMENT

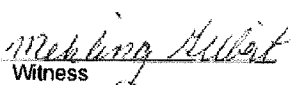

WHEREAS WE, **GERRY CALABRESE**, residing at Southwest Ranches, Florida, and **WERNER STEMER**, residing at Fort Lauderdale, Florida, are the inventors of the invention described and claimed in patent application No. 13/974,462, filed August 23, 2013, entitled

### TRANSACTION NOTIFICATION AND AUTHORIZATION METHOD.

WHEREAS, **CALABRESE STEMER LLC**, a Florida limited liability company doing business in the State of Florida and having an address in Broward County, Florida, is desirous of acquiring the entire interest in said invention, in the above patent application, and in any and all Letters Patent of the United States that may yet be obtained therefor;

NOW, THEREFORE, be it known that for valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said limited liability company, its legal representatives, successors and assigns, the full and exclusive right to the said invention as fully set forth and described in the above-mentioned patent application, and to said patent application, and related applications, and any and all divisions and continuations thereof, and any and all Letters Patent of the United States which may be granted therefor, and any and all reissues of any such patents to be issued, the same to be held and enjoyed by the said limited liability company, its legal representatives, successors and assigns, to the full end of the term for which said Letters Patent may be granted or may be reissued or extended, as fully and entirely as the same would have been held by us, had this assignment and sale not been made.

AND WE hereby authorize an application to be made and the Commissioner for Patents to issue any and all Letters Patent of the United States on said invention or resulting from any further application and from any and all divisions and continuations thereof to the said limited liability company as the assignee of the entire right, title and interest in and to the same.
