ASSIGNMENT OF INVENTION

For good and valuable consideration, the receipt and sufficiency of which is hereby conclusively acknowledged, Carlos Santana, being the owner of all right, title, and interest in and to the following patent, and in and to the inventions described therein:

Design Application No. 29-465272
Ornamental Design for a Microphone

free from all prior assignments, agreements, licenses, mortgages, or other encumbrances whatsoever, and having full right to convey its entire interest both legal and equitable herein assigned, does hereby sell, assign, transfer and set over unto:

Baltic Latvian Universal Electronics LLC
5706 Corsa Ave., Suite 102
Westlake Village, CA 91362

(hereinafter referred to as "Assignee"), his entire right, title and interest in and to said patents and in and to said inventions in and for all countries, and all patents which may be granted therefor, and all divisions, reissues, continuations and extensions thereof, including the right to claim for the foreign patents the benefit of the International Convention.

And he hereby covenants and agrees that he will, at any time upon request, without further compensation, execute and deliver any and all lawful papers or instruments that may be necessary or desirable to secure to said Assignee the full enjoyment of the rights and properties herein conveyed or intended to be conveyed; execute all divisional, continuing and reissue applications, make all rightful oaths, testify in any legal proceeding and communicate to said Assignee, or its representatives any facts known to it respecting said invention, and generally do everything possible to aid said Assignee, its successors, assigns and nominees to obtain and enforce proper patent protection for said inventions in all countries.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal this

28 day of August, 2010.

Carlos Santana
