ASSIGNMENT

WHEREAS, the Undersigned has invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made, said application having been executed on the date set forth below; and

WHEREAS, Distracted Driving Holding Company, LLC (hereinafter referred to as "Assignee"), a corporation organized and existing under the laws of the State of Mississippi, United States of America, Assignee, having its principal office and place of business at 404 Fontaine Place, Suite 101, Ridgeland, Mississippi 39157, desires to acquire the Undersigned's entire right, title and interest in and to the invention, and in and to said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the Undersigned:

Hereby sells, assigns and transfers to Assignee, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, Application No. 13/766,255 filed February 25, 2013 and in and to said application and all applications that claim priority to said Application No. 13/766,255 and all provisional, non-provisional, divisional, continuing, continuations-in-part, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements, for example and without limitation application for United States Letters Patent, Application No. 61/602,722 filed February 24, 2012, application for United States Letters Patent, Application No. 61/692,467 filed August 23, 2012, and International Patent Application entitled Vehicle Wireless Device Detection and Shielding, which shall be filed on or around August 23, 2013; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all utility models, industrial models, certificates of invention, and designs on said improvements;

Agrees that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the Undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications, and all other like rights of exclusion in any country on any and all said improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known to the Undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns and representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Agrees that the Undersigned will upon request of Assignee, render prompt assistance and cooperation in the prosecution of legal proceedings involving said improvements, said applications and patents granted thereon, including reexaminations, reissues, interferences, priority contests, public use proceedings and court proceedings, and testify in such proceedings if requested, provided, however, that the expense which may be incurred by the Undersigned in lending such assistance and cooperation be paid by Assignee; and

Covenants with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Undersigned, except as set forth below, and that full right to convey the same as herein expressed is possessed by the Undersigned.

This assignment shall be binding on the heirs and legal representatives of the Undersigned.

This assignment shall be governed by and construed in accordance with the laws of the state of Mississippi applicable to agreements made in and to be wholly performed entirely the state of Mississippi and without regard to conflict of laws and choice of laws principles, and the parties hereto submit and consent to the exclusive jurisdiction of the federal or state courts present in the county of Hinds, the state of Mississippi in any action brought to enforce (or otherwise relating to) this assignment or resolve any dispute or controversy which the parties are unable to resolve for themselves.

This assignment may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.
