ASSIGNMENT

WHEREAS I, **Pankaj Modi**, whose full post office address is 519 Golf Links Road, Ancaster, Ontario, L9G 4X6, am the sole inventor/applicant of Canadian and United States patent and patent application as set out in Schedule "A";

AND WHEREAS **Fenwafe Inc.**, whose full post office address is 1916 Merivale Road, Suite 200, Nepean, Ontario, K2G 1E8 (hereafter, together with any successors and assigns thereof, called "Assignee"), has acquired from me the whole right, title and interest for Canada, the United States of America and all other countries in and to the said invention, and in and to any Letters Patent that may be obtained therefor, and in and to said application, and in and to the right to sue for past infringement and to collect for all past, present and future damages.

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, I, by these presents confirm that I have sold, assigned and transferred and do hereby sell, assign, transfer unto the said Assignee my full and exclusive right to the said invention in Canada, the United States of America and all other countries and my entire right, title and interest in and to any and all Letters Patent which may be granted therefor, and the entire right, title and interest in and to said application and in any corresponding applications filed in other countries, in and to any divisions, continuations, continuations-in-part and extensions of said application, and in and to the right to sue for past infringement and to collect for all past, present and future damages.

I agree that I will, without further consideration, do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries, and to vest title thereto in said Assignee, its successors, assigns, and legal representatives or nominees.

I authorize and empower said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said invention or for additions and modifications thereto, filed by it or them, the benefit of the

right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the Assignee, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

IN WITNESS WHEREOF, the assignor has executed this Assignment as of the 29 day of August, 2013.
