ASSIGNMENT

WHEREAS, Atlas Putty Products Co., a corporation organized and existing under and by virtue of the laws of the State of Illinois, and having an office and place of business at 8351 West 185th Street, Tinley Park, IL 60477 (hereinafter "Assignor"), made certain new and useful inventions and improvements for which it filed a provisional patent application on February 14, 2011, which application was assigned U.S. patent application serial number 61/442,425, and is entitled SOUND-PROOFING METHOD AND COATING;

AND WHEREAS, Blue Angel Paint and Coatings, Ltd., a corporation organized and existing under and by virtue of the laws of the State of Illinois, and having an office and place of business at 14590 Park Place, Homer Glen, IL 60491 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to inventions, improvements and applications and in and to any Letters Patent to be obtained therefore;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, Assignor has sold, assigned, and transferred, and by these presents do sell, assign and transfer unto Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the application, and in and to the application, any utility applications filed therefrom, all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted there from, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted there from; and Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration, Assignor does hereby agree that Assignor and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to Assignee, its successors and representatives all facts known to Assignor relating to improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, Assignor covenants and agrees with Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by Assignor.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 18th day of February, 2011.
