ASSIGNMENT AND AGREEMENT

For value received, We, Gary E. Carver of 89 Old Mill Lane, Wilmington Vermont; Sheetal K. Chanda of 43 Green Street, Apt 201, Brattleboro, Vermont; William A. Morrison of 957 Miller Road, East Dummerston, Vermont; Sarah A. Locknar of 516 Gully Road, South Pomfret Vermont; and Robert L. Johnson, Jr. of 541 Abbott Road, Brattleboro, Vermont hereby sell, assign and transfer to Omega Optical, Inc., whose address is 21 Omega Drive Brattleboro Vermont 05301, a corporation of the State of Vermont, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to "SYSTEM FOR MULTISPECTRAL IMAGING OF FLUORESCENCE" described in an application for Letters Patent of the United States, the specification of which is attached hereto, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and We also concurrently hereby sell, assign and transfer to Omega Optical, Inc., the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Omega Optical, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Omega Optical, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Omega Optical, Inc. in the United States and in all countries foreign to the United States, or to such nominees as Omega Optical, Inc. may designate.
