Whereas we,

- (1) Rick Orsini;
- (2) Mark O'Hare;
- (3) Roger Davenport; and
- (4) Steven Winick;

residing respectfully at

- (1) 2100 Kings Forest Lane, Flower Mound, Texas 75028;
- (2) 8 Kennedy Court, Coto De Caza, California 92679;
- (3) 3204 CR 4119, Campbell, Texas 75422; and
- (4) 375 Yale Ave, Woodmere, New York 11598

have made an invention entitled:

SECURE DATA PARSER METHOD AND SYSTEM

and have made an application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on November 20, 2006 as U.S. Patent Application No. 11/602,667; and

WHEREAS, SECURITY FIRST CORPORATION, a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 22362 Gilberto #130, Rancho Santa Margarita, California 92688, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to each of us paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we hereby sell, assign and transfer unto the said SECURITY FIRST CORPORATION, its successors, assigns and legal

representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said SECURITY FIRST CORPORATION as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names and affixed our seals on the dates indicated hereinafter.
