ASSIGNMENT

WHEREAS, RICHARD L. CHANG (hereinafter referred to as "**ASSIGNOR**") whose residence is located at 107 Konner Avenue - Pine Brook, New Jersey, 07058 - United States of America, is the owner of the entire right, title, and interest as defined under 35 U.S.C. §100 in and to certain letters patent of the United States and of the certain inventions disclosed therein, and/or to certain applications for letters patent of the United States and of the certain inventions disclosed therein, all as identified on **EXHIBIT A** attached hereto; and

WHEREAS, RICHARD L. CHANG HOLDINGS LLC, (hereinafter referred to as "**ASSIGNEE**"), having a principal place of business located at 107 Konner Avenue - Pine Brook, New Jersey, 07058 - United States of America, and a company organized and existing under and by virtue of the laws of the State of Delaware, is desirous of acquiring said right, title, and interest of Assignor;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, Assignor has agreed to and does hereby sell, assign, and transfer unto Assignee, its successors and assigns, all of Assignor's right, title and interest as defined under 35 U.S.C. §100 in and throughout the United States of America (including its territories and dependencies) in and to said letters patent, domestic and foreign, and all reissues thereof and reexamination certificates therefore, and the inventions disclosed therein, including Assignor's full right to sue for and recover all damages recoverable from past infringements of said letters patent; including specifically, without limiting the generality of the foregoing, the United States patent(s) listed on **EXHIBIT A** attached hereto; and Assignor has further agreed to and does hereby sell, assign and transfer unto Assignee, its successors and assigns, all of Assignor's right, title and interest in and throughout the United States of America (including its territories and dependencies) in and to said inventions, said United States applications, foreign counterparts, and any other United States applications (including provisional, non-provisional, divisional, continuing, or reissue application) based in whole or in part on said United States applications or in whole or in part on said inventions; including specifically, without limiting the generality of the foregoing, the United States application(s) listed on **EXHIBIT A** attached hereto;

TO BE HELD AND ENJOYED BY Assignee, its successors and assigns, to the ends of the respective full terms for which said patents have been or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made.

AND Assignor hereby authorizes and requests the Commissioner of Patents of the United of America to issue any and all United States patents which may be granted upon said United States patent application to Assignee, its successors and assigns.

AND Assignor hereby agrees to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue or other applications for patents in the United States of America that may be deemed necessary by said Assignee,

AND Assignor covenants that Assignor has granted no right or license to make, use or sell said inventions to anyone except said Assignee, that prior to the execution of this deed, Assignor's right, title, and interest in said inventions has not been otherwise encumbered, and that Assignor has not executed and will not execute any instrument in conflict herewith.
