ASSIGNMENT

THIS ASSIGNMENT, made by **RAMESH SATRAM**, formally a Florida resident but now residing at 400 North Church Street, Unit 513, Charlotte, North Carolina 28202, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, Assignor has previously acquired all right, title, and interest in and to the United States patents, patent applications, trademarks, trademark applications, and trademark registrations identified on the attached Schedule A, and in and to all corresponding patents, patent applications, trademarks, trademark applications, and trademark registrations worldwide, and in and to the inventions represented thereby (all hereinafter referred to as the "Patents and Trademarks"); and,

WHEREAS, **ROCKWELL SECURITY, INC.**, having a principal place of business at 400 North Church Street, Unit 513, Charlotte, North Carolina 28202, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to said Patents and Trademarks and in and to the inventions represented thereby; and

WHEREAS, the parties have agreed to the Assignment hereinafter set forth;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its entire right, title, and interest in and to said Patents and Trademarks and the inventions represented thereby, and any and all continuations, continuations-in-part, or divisions thereof, and any and all Letters Patent or reissues, reexaminations, or extensions thereof which may be granted therefor or thereon, to the full end of the term for which said Letters Patent may be granted, together with the right to claim priority in all foreign countries in accordance with the International Convention; all rights corresponding to said Patents and Trademarks in foreign countries throughout the world; and all of its rights to sue for past infringement of said Patents and Trademarks worldwide, together with all claims for damage by reason of past infringement of said Patents and Trademarks, with the right to sue for, and collect the same for Assignee's own use and enjoyment; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

From time to time after the date hereof, at the request of either party hereto, and at the expense of the party so requesting, each of the parties hereto shall execute and deliver to such requesting party such documents and take such other action as such requesting party may reasonably request in order to consummate more effectively the transactions contemplated hereby.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses full title to the inventions and Patents and Trademarks thereon as earlier identified, and that it has the unencumbered right and authority to make this assignment.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this 6th day of October, 2010.
