And whereas CNX Gas Company LLC, a Virginia limited liability company located at 1000 CONSOL Energy Drive, Canonsburg, PA 15317, hereinafter called the "ASSIGNEE", is desirous of acquiring the entire right, title, and interest in and to said application and the inventions and improvements therein disclosed;

ASSIGNOR and ASSIGNEE agree to have the Serial Number and Filing Date added to this document upon receipt of the information from the United States Patent and Trademark Office. We hereby authorize Beck & Thomas, P.C. to insert here, August 13, 2009; 12/540,793, the Filing Date and Serial Number of the Application when known.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and with the intention of being legally bound and other good and valuable consideration paid to me by said ASSIGNEE, receipt whereof I hereby acknowledge, I do hereby assign, sell, transfer, and set over unto said ASSIGNEE the entire right, title, and interest in and to said application and the inventions and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefore in the United States and all foreign countries and all divisions, reissues, continuations, renewals, and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, said ASSIGNEE to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. I covenant that I am the lawful owner of the said application, inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use or vend the said inventions or improvements or any of them, and that I have the full right to make this assignment.

And for the consideration aforesaid, I agree that I will communicate to said assignee or the representatives thereof any facts known to me respecting said inventions and improvements, and will, upon request, but without expense to me, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said ASSIGNEE or by counsel for

said ASSIGNEE, to assist or enable said ASSIGNEE to obtain and enforce full benefits from the rights and interests herein assigned.
