PATENT ASSIGNMENT

This Patent Assignment, dated as of August 30, 2013 (the "Assignment"), is made by Spectrum Plastics Group, Inc., a Delaware corporation (the "Assignor"), in favor of Ansonia Plastics, LLC, a Delaware limited liability company (the "Assignee"), pursuant to, and subject to the terms of, that certain Contribution Agreement by and between the Assignor and the Assignee dated as of the date hereof (the "Contribution Agreement"). Capitalized terms used but not defined herein shall have the meanings as set forth in the Contribution Agreement.

WHEREAS, pursuant to the Contribution Agreement, the Assignor has agreed to contribute, transfer, convey, assign, and deliver to the Assignee the Contributed Assets, including, but not limited to, the patents set forth on Exhibit A attached hereto and incorporated by reference (the "Patents"); and

WHEREAS, the Assignor now wishes to assign the Patents to the Assignee, and the Assignee is desirous of acquiring the Patents from the Assignor, together with the goodwill of the business symbolized thereby.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. In accordance with, and subject to, the terms of the Contribution Agreement, the Assignor hereby contributes, assigns, conveys, transfers, delivers and sets over unto the Assignee and its successors, permitted assigns, and legal representatives, the Assignor's entire right, title, and interest in and throughout the world in and to the Patents (including any common law rights that may exist and are associated therewith), together with all renewals of any of the foregoing and all goodwill of the business symbolized thereby and appurtenant thereto, the same to be held and enjoyed by the Assignee, together with income, royalties, damages, or payments due on or after the date hereof, including, without limitation, all claims for damages or payments by reason of infringement or unauthorized use of the Patents, along with the right to sue for past infringements and collect same for the Assignee's sole use and enjoyment.

2. The Assignor does hereby authorize the Director of the United States Patent & Trademark Office, and the empowered official of any country or countries foreign to the United States whose duty it is to record patent registrations, applications, and title thereto, to record the Patents and title thereto as the property of the Assignee in accordance with the terms of this instrument.

3. This Assignment shall be binding upon and enforceable by, and shall inure to the benefit of, the parties hereto and their respective successors, legal representatives, and permitted assigns, and no others.

4. Whenever possible, each provision of this Assignment shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision (or part thereof) of this Assignment shall be deemed prohibited or invalid under such applicable law,

such provision (or part thereof) shall be ineffective only to the extent of such prohibition or invalidity, and such prohibition or invalidity shall not invalidate the remainder of such provision or the other provisions of this Assignment.

5. Nothing in this Assignment, express or implied, is intended or shall be construed to expand or defeat, modify, qualify, impair, or limit in any way the rights, obligations, claims, or remedies of the parties as set forth in the Contribution Agreement. To the extent there is any conflict between this Assignment and the Contribution Agreement, the Contribution Agreement shall govern and prevail.

6. This Assignment shall be construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation, and performance of this Agreement shall be governed by the internal laws of the State of Minnesota, without giving effect to provisions thereof regarding conflict of laws.
