**CONFIRMATORY ASSIGNMENT OF PATENT RIGHTS**

Whereas, **Roger R. Darr, Matthew F. Easley and Matthew S. Barnhill**, executed an assignment of Patent Rights to **THAT Corporation**, a **Massachusetts** corporation having a principal place of business at **45 Sumner Street, Milford, MA 01757** on April 18, 2006, March 21, 2006 and April 13, 2006, respectively, in connection with the provisional patent application entitled **NICAM DECODER WITH OUTPUT RESAMPLER**, Serial No. **60/756,515**, filed **January 5, 2006**, the assignment document being recorded in the United States Patent and Trademark Office on April 28, 2006 at Reel 017558, Frame 0837 (and We hereby authorize our attorney(s), authorized to prosecute said application, to here insert the reel and frame numbers of said application, when known);

Whereas, a new patent application, claiming priority based upon said provisional application, has been filed in the United States Patent and Trademark Office; and,

Whereas, the parties wish to insure and confirm that a proper transfer of rights has been made.

Accordingly, we, **Roger R. Darr, Matthew F. Easley and Matthew S. Barnhill**, residing respectively at **525 Hilliard Court, Suwanee, GA 30024, 1058 Fairway Valley Drive, Woodstock, GA 30096 and 3570 Hermitage Drive, Duluth GA 30096**, having invented improvements in **NICAM AUDIO SIGNAL RESAMPLER**, and having executed an application for United States patent, Serial No. **11/649,538**, filed **January 4, 2007**, describing the same and based thereon, and further based on the above-referenced provisional application, for good and valuable consideration, receipt of which is hereby acknowledged from **THAT Corporation**, a **Massachusetts** Corporation, having a principal place of business at **45 Sumner Street, Milford, MA 01757**, and hereinafter referred to as the Assignee (which term shall include the successors and assigns), do hereby sell, assign and transfer to the Assignee our entire right, title, and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to and under said application (which term shall include hereinafter where the context so admits all divisional, continuing, reissue and other patent applications based thereon) and all inventions (which term shall include each and every such invention, or any part thereof) therein described, and any and all patents and like rights of exclusion (including extensions thereof) of any country which may be granted on or for said inventions or on said application.

And for the same consideration we do also hereby sell, assign and transfer unto the Assignee all our rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty and all other treaties of like purpose in respect of said inventions and said application, and we do hereby authorize the Assignee to apply in our names or in their own name (in a manner to be agreed upon by the Assignee) or their designee, for patents and like rights of exclusion on or for said inventions in all countries, claiming (if the Assignee so desires) the priority of the filing date of said application under the provisions of said Convention, Treaty or any such other Convention or Treaty;

And for the same consideration we do hereby jointly and severally agree for ourselves and for our respective heirs, executors and administrators, promptly upon request of the Assignee, to execute and deliver without further compensation any power of attorney, assignment, original, divisional, continuing, reissue or other application or applications for patent or patents or like rights of exclusion of any country, or other lawful documents and any further assurances that may be deemed necessary or desirable by the Assignee fully to secure to it said right, title, and interest as aforesaid in and to said inventions, application, and said several patents and like rights of exclusion, or any of them, all, however, at the expense of the Assignee;

And we do hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and the corresponding Official of each country foreign thereto to issue to the Assignee any and all patents and like rights of exclusion which may be granted in any country upon said application or on or for said inventions;

And we do hereby jointly and severally covenant for ourselves and for our respective legal representatives and agree with the Assignee that we have granted no right or license to make, use or sell said

inventions to anyone except the Assignee, that prior to the execution of this deed our right, title and interest in and to said inventions has not been otherwise encumbered by us, and that we have not executed and will not execute any instrument in conflict herewith.

IN WITNESS WHEREOF, we hereunto set our hands and seals on the day and year hereinafter noted.
