ASSIGNMENT

For valuable consideration, the receipt and adequacy of which is hereby acknowledged, PFIZER INC., a corporation organized and existing under the laws of the State of Delaware, United States of America, and having its principal place of business at 235 East 42nd Street, New York, New York 10017, United States of America,

hereby sells, assigns and transfers unto PFIZER PRODUCTS INC., a corporation organized and existing under the laws of the State of Connecticut, United States of America, and having its place of business at Eastern Point Road, Groton, Connecticut 06340, United States of America, its entire right, title and interest, in all countries of the world except the United States of America, in and to all its inventions, whether joint or sole, disclosed in provisional patent application having PFIZER INC. Docket No. **PC25108**, and entitled **Dosage Forms Comprising a CETP Inhibitor and an HMG-CoA Reductase Inhibitor** and designated by U.S. provisional application number **60/435,345** which was filed on **December 20, 2002**; and its entire right, title and interest in and to all patent applications filed outside the United States of America for Letters Patent for any or all of said inventions; and its entire right, title and interest in and to all Letters Patent granted outside the United States of America on said patent applications filed outside the United States of America; and the right to claim priority from said provisional patent application under the Paris Convention for the Protection of Industrial Property, and under any and all other such treaties and agreements to which the United States of America is a party and which afford similar priority-claiming privileges, in all countries of the world except the United States of America;

and PFIZER INC. hereby agrees, whenever requested, to communicate to said PFIZER PRODUCTS INC., and its successors and assigns, any facts known to it respecting said inventions, to testify in any legal proceeding respecting said inventions, and to execute all applications or papers necessary to obtain and maintain proper patent protection on said inventions in all countries of the world, except the United States of America.

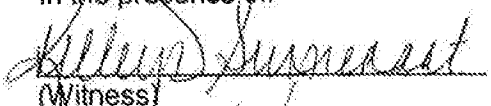

Dated: July 10 2003.
