13/740,613	January 14, 2013
PCT/US2013/025059	February 7, 2013 (International Filing Date)

all of which are entitled:

BONE SCREW AND METHOD FOR MANUFACTURING THE SAME
and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States or and Foreign Countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name, and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in

good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent application on any and said improvements; execute all rightful oaths, assignments, powers of attorney and other papers, communicate to said Assignee, its successors, assigns and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives;

Agree that said Assignee has the right to bring legal action for infringement of the Patents, including past infringement and the right to receive damages for any past infringement; covenant that no assignment, sale, agreement, transfer or encumbrance has been, or will be, made or entered into which would conflict with this assignment, sale and transfer; and agree to communicate to ASSIGNEE, its successors, assigns or other legal representatives, upon request, any facts known by ASSIGNOR respecting the invention(s) disclosed and/or claimed in any of the Patents, do all lawful acts, including the execution and delivery of all papers and proper oaths and the giving of testimony that is deemed necessary or desirable by ASSIGNEE, its successors, assigns or other legal representatives with regard to such invention(s) for protecting, obtaining, maintaining and enforcing said Patents and for perfecting, affirming, recording and maintaining the title of ASSIGNEE, its successors, assigns or other legal representatives and generally cooperate

to the fullest extent in all matters pertaining to said Patents and the title thereto in

ASSIGNEE, its successors, assigns or other legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
