ASSIGNMENT

FOR VALUE RECEIVED, Charlie Childers, of 2035 Industrial Park Rd, P.O. Box 152, Richfield, Utah (84701), hereby orders, assigns and transfers to Badlanderz Research and Development, LLC (hereinafter referred to as "Badlanderz"), of 2035 Industrial Park Rd, P.O. Box 152, Richfield, Utah (84701) all of his right, title and interest in the following tools and amendments and improvements thereto including but not limited to patent pending applications as follows:

Extendable conductor stand having blowout protection and improved extendable conductor stand having blowout protection: EFS Id: 10028221 and 9993331; Application #s: 61481191 and 61482728; and Confirmation #s: 8763 and 4897.

The consideration for the above Assignment consists of Badlanderz's promise to pay twenty five percent (25%) of the net profits derived from the leasing, sale or transfer of ownership of said tools by Assignee together with Assignee's promise to use it's best efforts in manufacture and marketing of said tools. Assignor shall not be responsible to contribute or be liable individually for any of the costs or expenses incurred in the development or marketing of said tool; said expenses shall be solely utilized for calculating net profit in the distribution of profits thereof. Assignor further agrees that he will not engage in any manufacturing or marketing of any similar tools in either direct or indirect competition with Assignee nor will he provide any confidential information to competitors or other manufacturers engaged in the manufacturing or marketing of similar tools in the oil, gas or mining industries for any period in which Assignee is actively engaged in similar manufacturing or marketing for a period of not less than twenty (20) years or the length of patent protection.

IN WITNESS WHEREOF, I have executed this assignment at Richfield, Utah, this

10 day of May, 2011.

LICENSE AGREEMENT

This agreement entered into this 10th day of May, 2011, by and between William D. Cameron of 20103 West Lakeshore Drive, Magnolia, Texas (77355) (hereinafter referred to as "Cameron") and Badlanderz Research and Development, LLC of 2035 Industrial Park Rd, P.O. Box 152, Richfield, Utah (84701) (hereinafter referred to as "Badlanderz").

WITNESSETH:

WHEREAS, Cameron is the undivided twenty five percent (25%) owner of an interest in certain tools known as an extendable conductor stand having blowout protection and an improved extendable conductor stand having blowout protection with patents pending as more particularly described in Exhibit "A" attached hereto and incorporated herein by this reference; and

WHEREAS, Cameron desires to grant an exclusive license to Badlanderz for the purpose of the development and marketing of said tools; and

WHEREAS, the parties desire to reduce their agreement to writing.

NOW, THEREFORE, in consideration their mutual promises, the parties agree as follows:

1. Cameron hereby grants an exclusive license to Badlanderz all of his interest in the tools described in Exhibit "A", which interest consists of twenty five percent (25%). This license shall entitle Badlanderz to develop, manufacture and market said tool, including entering into any leases, sales or transfers of ownership of said tools, together with Badlanderz interest therein for a period of not less than twenty (20) years and/or the life of the patent, as identified in Exhibit "A" attached hereto and incorporated herein by this reference.

2. Badlanderz shall use their best efforts to promote the successful marketing and

manufacturing of said tools and agree to pay Cameron twenty five percent (25%) of all net profits derived from the sale, leasing or transfer of said tools by Badlanderz to any third parties.

3. Badlanderz agrees that they shall assume all costs for the manufacturing, development and marketing of said tools, and that Cameron agrees to participate on an as needed basis in any designing, engineering or testing and to utilize his experience and education in said areas to promote the successful development and marketing of said tools.

4. Cameron agrees that he will not engage in any activity directly or indirectly in competition with the manufacturing or marketing of said tools by Badlanderz, nor will he divulge any confidential information pertaining to said tools to third parties or other manufacturers in competition or which might constitute competition to the manufacturing and marketing by Badlanderz.

5. The parties agree that Badlanderz shall provide a regular accounting to Cameron of their efforts and financial investments in the marketing and development of said product on a regular basis during the life of this agreement.

6. The parties acknowledge and agree that in the event Badlanderz should receive an offer for the permanent sale of any and all rights in the tools, that all owners of the interest in said tools shall be consulted. The terms of any said offer shall be presented to all owners and a majority of the ownership interest shall control any voting as to whether to sell or dispose entirely of said interest.

7. The parties acknowledge and agree that in the event of a dispute that may arise under the terms of this agreement, the parties shall engage in mediation in an effort to resolve any such dispute prior to initiating any legal action.

8. The parties acknowledge and agree that in the event litigation becomes necessary, the successful party in said litigation shall be entitled to recover a reasonable attorney's fee and costs of court in addition to any and all other damages as provided by law.

9. The parties acknowledge and agree that any litigation involving this matter shall be construed and determined under laws of the State of Utah and that the proper venue for any such litigation would be Sevier County, State of Utah.

10. The parties acknowledge that this agreement constitutes their entire agreement, and the same shall not be modified or amended except in writing signed by all parties.

DATED this 10 day of May, 2011.
