ASSIGNMENT

WHEREAS I, Steven D. Linscombe, the below-named inventor whose address and citizenship are as stated below next to my name, have made an invention in "Rice Cultivar Designated 'CL152'," which invention is the subject of Patent Cooperation Treaty application number PCT/US2012/031336, international filing date March 30, 2012, designating the United States and various other countries that are party to the Patent Cooperation Treaty, and claiming the benefit of the priority of United States provisional patent application serial number 61/469,866, filed March 31, 2011;

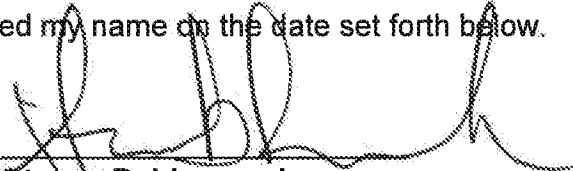

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors and assigns, my entire right, title, and interest in and to the said invention and PCT Application, including all national stage applications corresponding to the PCT Application in the various countries designated or elected in the PCT Application; and in and to any division or continuation of any of the above said applications; and in and to the said provisional application, and in and to any nonprovisional application claiming priority from said provisional application; and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and of all other countries, including the right to apply for Letters Patent in any country in its own name, and to claim any priority rights for such applications to which such applications are entitled under international conventions, treaties, or otherwise; including my right to claim priority from United States provisional patent application serial number 61/469,866, filed March 31, 2011, and from International Application PCT/US2012/031336, international filing date March 30, 2012, which have been or may be granted on any of the foregoing, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made.

I do further agree for myself and for my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such acts as I lawfully may, that may be deemed necessary by the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize the Director of the United States Patent and Trademark Office, and any foreign counterpart to the Director, to issue any and all Letters Patent that may be granted upon any of the said applications, to the said Board of Supervisors of

Louisiana State University and Agricultural and Mechanical College as the assignee of my interest therein.

In witness whereof, I have hereunto signed my name on the date set forth below.
