OP \$40.00 12843034

ASSIGNMENT OF PATENT

U.S. Non-Provisional Utility Patent Application Title: Bamboo I-Beam with Laminated Web and Flanges

Serial Number: 12/843,034

Filed: 07/25/2010

WHEREAS, I, William D. McDonald, resident of the city of Santa Rosa, State of California, have invented a new and useful invention related to the construction industry and building materials; and, more particularly to an I-beam constructed of bamboo for which an application has been made for Letters Patent of the United States, the said invention being fully described and identified by the specification and drawings in said application;

WHEREAS, Bamcore LLC, a California Limited Liability Corporation, is desirous of acquiring all the rights, title, and interest to said invention and any and all Letters Patent thereon when granted;

NOW, THEREFORE, in consideration of \$10.00 (ten dollars) to me in hand paid, and for other good and valuable consideration, the receipt and sufficiency we hereby acknowledge, I, the above-named inventor, have sold, assigned, and transferred, and hereby, sell, assign, and transfer unto said Bamcore LLC, my entire right, title, and interest throughout the world in and to said invention; and in and to each and every improvement thereon; and in and to each and every Letters Patent of the United States and foreign countries that may be granted or issued on said invention and/or improvements; including each and every Letters Patent granted or issued upon any application which is a division or an application on said invention and/or improvements;

and in and to each and every reissue and extension of said Letters Patent, including the subject matter of any and all claims which may be obtained in every such patent;

THE SAME TO BE HELD AND ENJOYED by said Bamcore LLC, its successors, assigns, or other legal representatives, for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent shall or may be granted, issued, reissued, or extended, as fully and completely as the same might or could have been held and enjoyed by me had this assignment not been made.

AND I HEREBY covenant and agree that I will, at any time upon request, execute and deliver any and all instruments that may be necessary or desirable to file or record in respect to said invention and/or improvements and/or Letters Patent to vest the entire right, title, and interest in and to the same in said Bamcore LLC, its successors, assigns, and other legal representatives, and if said Bamcore LLC, its successors or assigns, desires to secure Letters Patent of any foreign country on said invention and/or improvements, or to secure a reissue of any Letters Patent thereon, or to file a divisional application thereon, or a disclaimer of supplemental oath relating thereto, or to file a preliminary statement of any interference proceeding involving any application for Letters Patent on said invention and /or improvements thereon or involving Letters Patent granting thereon, I will, upon request, sign all papers, make all rightful oaths, and do all lawful acts requisite for the application for such patent, reissue or extension, and the procuring thereof, and for the filing of any such divisional application and the procuring of a patent thereon, and for the filing of any such disclaimer, supplemental oath, or

preliminary statement, without further compensation, but at the expense of my said assignee, Bamcore LLC, its successors, assigns, and other legal representatives;

AND THE COMMISSIONER OF PATENTS AND TRADEMARKS is hereby authorized and requested to issue the United States Letters Patent on my said invention, when granted, unto my said assigns, and other legal representatives, in accordance with this Assignment.

IN WITNESS WHEREOF, I, the above-named inventor have hereunto subscribed my name:

 on this 11 day of September, 2013.
