ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, each of the undersigned **John Christopher Buchowski**, of San Jose, CA; and **Rudy Hubert Slegers**, of Heerlen, Netherlands hereby

sells, assigns and transfers to **PARAMETRIC TECHNOLOGY CORPORATION**, having a principal place of business at **140 Kendrick Street, Needham, Massachusetts 02494**, to its successors, assigns and legal representatives, all hereinafter referred to as the ASSIGNEE, his/her entire right, title, and interest in and throughout the United States of America, its territories and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent entitled:

METHODS AND SYSTEMS FOR CREATION OF A DYNAMICALLY CONFIGURABLE PRODUCT DESIGN

☐ executed by me of even date herewith and about to be filed in the United States Patent and Trademark Office; or

☒ identified by U.S. Patent Application No. 12/913,992, filed on October 28, 2010 in the United States Patent and Trademark Office; and

in and to said application and all divisional, continuing, substitute, renewal, reexamination, reissue and all other applications for Letters Patent that are based in whole or in part on said application, and all other rights arising under or pursuant to any and all international agreements, treaties, or laws relating to the protection of industrial property, including all rights of priority under the International Convention for the Protection of Industrial Property, and in and to any such Letters Patent as may issue thereon including any and all original and reissued patents which have been or shall be issued in the United States and foreign countries; said inventions, applications, and Letters Patent to be held and enjoyed by ASSIGNEE for its own use and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by him/her had this assignment and sale not been made;

AND, hereby acknowledges that this assignment, being of the entire right, title, and interest in and to the inventions, carries with it the right in ASSIGNEE, by attorneys and agents of ASSIGNEE selection, to apply for and receive Letters Patent for said inventions in its own name;

AND, hereby further agrees for him/herself and his/her executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully Letters Patent to ASSIGNEE, its successors, assignees, and legal representatives, but at its expense and charges, including the execution of application for patents in foreign countries, the execution of substitution, reissue, divisional or continuation applications, and the giving of testimony, preliminary statements, or other statements in any interference or other proceeding in which the inventions or any applications or

patents directed to the inventions may be involved by communicating to the ASSIGNEE all facts we know relating to the inventions and their history, and generally by doing everything possible which ASSIGNEE shall consider desirable for aiding in securing and maintaining proper patent protection for the inventions and for vesting title in the inventions and all applications for patent and all patents on the inventions in ASSIGNEE;

AND, further hereby authorizes ASSIGNEE or its attorneys or agents to insert the correct serial number and filing date of said application into this assignment if appropriate;

AND, hereby appoints ASSIGNEE as its common agent for purposes of prosecuting international patent applications and any material patent applications for which such common agency is recognized;

AND, hereby requests the Director of Patents and Trademarks of the United States to issue said Letters Patent as shall be granted upon said application or applications based thereon to ASSIGNEE, its successors, assigns, and legal representatives;

AND, covenants with said ASSIGNEE that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by him/her, and that full right to convey the same as herein expressed is possessed by him/her.
